| FINANCIAL HIGHLIGHTS |

- Net Asset Value ('NAV') of £68.89 million, and of 85.58 pence per share ('pps') as at 30 June 2021 (30 June 2020: £67.29 million and 83.58 pps).
- Operating profit of £6.31 million (before fair value changes) for the year (year ended 30 June 2020: £5.80 million).
- Profit before tax of £5.57 million, profit per share of 6.92 pps for the year (year ended 30 June 2020: loss before tax of £5.05 million, loss per share of 6.27 pps, primarily due to write-downs of property valuations).
- EPRA Earnings per share¹ ('EPS') for the year were 5.55 pps (year ended 30 June 2020: 5.42 pps).
- Adjusted EPS¹ for the year, which reflect cash earnings, were 5.07 pps with dividend cover of 99% (year ended 30 June 2020: 4.25 pence per share; dividend cover of 85%).
- Total dividends of 5.14 pps declared in respect of the year (year ended 30 June 2020: 5.0 pps), underlining the Company's strong rent collection and cash flows. The Board has reaffirmed its target annual dividend of 5.5 pence per share, with full dividend cover expected, all else being equal, by September 2022.
- The price of the Company's Ordinary Shares on the Main Market of the London Stock Exchange was 71.00 pps as at 30 June 2021 (30 June 2020: 53.50 pps).
- As at 30 June 2021, the Group had a £41.0 million loan facility with Canada Life Investments and was geared to 36.3% of the Gross Asset Value ('GAV') (30 June 2020: £41.0 million, gearing of 37.0%).
- For the year ended 30 June 2021, non-property operating expenses were £0.88 million (30 June 2020: £1.49 million), representing a 41% reduction, or 35% reduction after allowing for the period during which M7 did not charge an investment advisory fee and as a result of the Board taking a disciplined approach to cost management.
- Ongoing charges of 1.27% as at 30 June 2021 (30 June 2020: 2.22%).

¹ see Note 8 of the Consolidated Financial Statements, glossary on pages 91 to 92 for definitions and abbreviations and page 8 for Key Performance Indicators and their definitions.

HIGHLIGHTS CONTINUED

OPERATIONAL REVIEW

- To date, the Group has collected 97.8% of all rent demanded since the beginning of the COVID-19 pandemic, with the remaining 2.2% to be collected through payment plans throughout 2021 and 2022; further information can be found in the Investment Adviser's Report on page 10.
- As at 30 June 2021, the Group's property portfolio had a fair value of £109.23 million across 19 properties (30 June 2020: £104.76 million, 19 properties including the Wet 'n' Wild Water Park held for sale). As at 30 June 2021, when looking at the core 18 assets that have been held over the last 12 months, the property portfolio had a fair value of £104.08 million (30 June 2020: £101.91 million).
- Weighted average unexpired lease term ('WAULT') of 17.8 years to the earlier of break and expiry (30 June 2020: 19.5 years) and 19.8 years to expiry (30 June 2020: 21.6 years).
- Rent recognised during the year was £7.21 million (30 June 2020: £7.35 million), of which, £0.49 million was accrued debtors for the combination of minimum uplifts and rent-free period (30 June 2020: accrued debtors of £1.28 million). The number of tenants as at 30 June 2021 was 22 (30 June 2020: 21).
- 87.0% of the Group's income is inflation linked to Retail Price Index ('RPI') or Consumer Price Index ('CPI').
- As at 30 June 2021, the portfolio had gross passing rental income of £6.97 million (30 June 2020: £6.79million).
- As at 30 June 2021, the asset valuations and rental income of the 17 properties secured to Canada Life would have needed to fall by 18% and 24% respectively before breaching the Loan to Value and Income Cover Cash Trap covenants respectively.
- EPRA Net Initial Yield ('NIY') of 5.94% as at 30 June 2021 (30 June 2020: 5.72%)².

POST BALANCE SHEET EVENT

On 2 August 2021, the Board declared an interim dividend of 1.64 pence per share in respect of the period from 1 April 2021 to 30 June 2021. This was paid on 31 August 2021 to shareholders on the register as at 13 August 2021. The ex-dividend date was 12 August 2021.

² EPRA Net Initial Yield is the annualised rental income based on the cash rents passing at the balance sheet date, less non-recoverable property operating expenses, divided by the market value of the property, increased with purchasers' costs estimated by the Group's External Valuers. A reconciliation can be found on page 89.

CHAIRMAN'S STATEMENT

OVERVIEW

I am pleased to present the annual audited results of Alternative Income REIT plc (the 'Company') together with its subsidiaries (the 'Group') for the financial year ended 30 June 2021, my first as Chairman.

In March 2021, when it was announced that I would assume the role of Chairman, it appeared that the UK vaccination programme had begun to turn the tide on the challenges of the COVID-19 pandemic. The Group's portfolio has proved resilient throughout the challenges of the COVID-19 pandemic. We are pleased therefore that we were able to declare an increased dividend to shareholders, underlining the continuing strength of the Group's collection of rent from our 100% let portfolio. Taken together with our robust balance sheet, much reduced overhead and with 87% of our portfolio's leases with inflation linked upwards only rent reviews, the Board remains confident that the Group will provide attractive total returns to our shareholders principally in the form of fully covered dividends.

I would like to take the opportunity to thank my predecessor Steve Smith for his significant contribution to the Company since its IPO in June 2017. He left the business and portfolio well positioned for the better times that we expect to lie ahead, and he departed with our best wishes. At the same time as my own appointment as Chairman, we also welcomed Adam C Smith to the Board as a Non-Executive Director. Adam's appointment followed a request from the Company's largest shareholder, Glenstone Property plc, for representation on the Board. Adam has extensive property and investment experience and I welcome the constructive contribution Adam has made. It also followed open and transparent engagement with shareholders following the failure to carry the resolution to adopt the proposed changes to the Investment Policy at the 2020 AGM. The Board has delivered on the commitments it made following our earlier engagement with shareholders, focusing on reducing the Group's operating cost base, pursuing other initiatives within the Group's current portfolio of assets, while seeking to maximise rent collection, income distribution and total returns to shareholders. Further, as announced on 29 September 2021, following a comprehensive and thorough recruitment process supported by external consultants, we have also welcomed Stephanie Eastment to the Board as a non-executive Director and Audit Chair with effect from 1 October 2021. As part of a planned succession process, Jim Prower will resign as a non-executive Director and Audit Chair on 1 October 2021. I would like to express my sincere thanks to Jim for his

significant and invaluable contribution, insights and unwavering commitment since IPO, and he leaves with the Board's very best wishes for the future.

During the year, we completed the disposal of the Wet 'n' Wild Water Park, North Shields ("Wet 'n' Wild"). The disposal was at a significant premium to cost and book value, and subsequently we redeployed the proceeds through the acquisition of the Droitwich Spa Retail Park, at a yield of 7.95% which was materially higher than both the 6.0% exit yield on Wet 'n' Wild and the Group's 5.76% portfolio valuation yield at the time. Also, importantly, it provided the potential to deliver excellent long term returns for shareholders. Following that acquisition, the Group has been fully invested and holds a diverse portfolio of UK commercial property assets with a weighted average unexpired lease term of 17.8 years (30 June 2020: 19.5 years) to the earlier of break and expiry and 19.8 years (30 June 2020: 21.6 years) to expiry.

That acquisition was the first introduced by our Investment Adviser, M7 Real Estate Limited ("M7"). Since their initial appointment in May 2020, the Board has been pleased with the performance of M7 and on 1 April 2021 extended the Investment Advisory Agreement under which M7 provide the Group with investment advice, fund accounting and administration services. The agreement has provided the Group with certainty and stability of high quality services and advice in a cost-effective manner. M7 and our Property Manager, Mason Owen, also undertook several asset management initiatives during the year that underlined the Group's supplemental strategy of value enhancement led by active management. Further information can be found on pages 11 to 12.

A year ago we said that we would substantially reduce costs and these results demonstrate the delivery of these actions. Year on year, all non-property operating expenses, together with auditor fees were reduced by £616,000 a reduction of 41%. This overall reduction included a period during which M7 did not charge an investment advisory fee, which when added back would produce a like-for-like reduction of 35%. Despite the environment caused by the COVID-19 pandemic and the negative impact upon rent collection seen across the industry, in aggregate dividends of 5.14 pence per share have been paid as Property Income Distribution in

CHAIRMAN'S STATEMENT CONTINUED

respect of the year ended 30 June 2021 representing an increase of 2.8% against the prior financial year. For the year ended 30 June 2021, adjusted cash earnings were 5.07 pence per share with dividend cover of 99% (year ended 30 June 2020: 4.25 pence per share; dividend cover of 85%). Our focus remains on generating a progressive cash covered dividend from the Group's fully invested portfolio. Our recent dividend increase is testament to the Board's confidence in the long-term value we can deliver to our shareholders.

The actions undertaken in the past year reaffirm the Board's confidence that the Group is well positioned for the opportunities ahead. Our continued strong rent collection from our 100% let portfolio, robust balance sheet, well controlled overheads and with 87% of our portfolio's leases with inflation linked upwards only rent reviews give us confidence that the Group can provide attractive total returns to our shareholders.

PORTFOLIO PERFORMANCE

The near full deployment of the Group's funds for the whole year resulted in headline rent of circa £7.21 million during the year (30 June 2020: £7.35 million), of which, £0.49 million was accrued debtors for the combination of minimum contracted uplifts and rent-free period (30 June 2020: accrued debtors of £1.28 million).

As at 30 June 2021, the Group's property portfolio had a fair value of £109.23 million (30 June 2020: £104.76 million). The portfolio had a net initial yield of 5.93% (30 June 2020: 5.77%), a WAULT to the first break of 17.8 years (19.8 years to expiry).

FINANCIAL RESULTS

	Year ended 30 June 2021	Year ended 30 June 2020
Operating profit before fair value changes [£'000]	6,311	5,803
Operating profit/(loss) [£'000]	6,993	(3,608)
Profit/(loss) before tax [£'000]	5,572	(5,050)
Profit/(loss) per share - basic and diluted [pence]	6.92	(6.27)
EPRA EPS - basic and diluted [pence]	5.55	5.42
Adjusted EPS [pence]	5.07	4.25
Net Asset Value per share [pence]	85.58	83.58

	Year ended 30 June 2021	Year ended 30 June 2020
EPRA Net Asset Value per share [pence]	85.58	83.58

The Group's operating profit before fair value changes for the financial year was £6.31 million (30 June 2020: £5.80 million).

Basic profit per share for the financial year was 6.92 pence (30 June 2020: loss per share: 6.27 pence). Adjusted EPS, as calculated in Note 8, for the financial year were 5.07 pence (30 June 2020: 4.25 pence).

Under European Public Real Estate Association ('EPRA') methodology, EPS for the financial year was 5.55 pence (30 June 2020: 5.42 pence). A full list of EPRA performance figures can be found on page 9.

The audited NAV per share as at 30 June 2021 was 85.58 pence (30 June 2020: 83.58 pence).

The Group has ongoing charges of 1.27% (30 June 2020: 2.22%) for the financial year, being a measure of annualised fund level operating costs for the year as a percentage of NAV. The EPRA cost ratio for the financial year was 18.4% (30 June 2020: 21.1%).

FINANCING

As at 30 June 2021, the Group had fully utilised its £41.0 million loan facility with Canada Life Investments (30 June 2020: fully utilised). The weighted average interest cost of the Group's facility is 3.19% and the loan is repayable on 20 October 2025. If repayment is made prior to this date, and the corresponding Gilt rate is lower than the contracted rate of interest, then the loan terms provide for a significant early redemption fee³.

DIVIDENDS

The Group declared two interim dividends of 1.25 pps each, one interim dividend of 1.00 pps and a fourth interim dividend of 1.64 pps in respect of the financial year, totalling 5.14 pps (year ended 30 June 2020: four dividends totalling 5.00 pps), representing an increase of 2.8% against the prior financial year and ahead of inflation for the period. This underlines the Company's strong rent collection and cash flows. The Board has reaffirmed its target annual dividend of 5.5 pence per share, with full dividend cover expected, all else being equal, by September 2022.

In light of the circumstances affecting global economies and markets and the Group's rental collection levels the Board considered it prudent to reduce the dividend for

³ As at 30 June 2021, the redemption fee would have been £3,467,127 (30 June 2020: £5,261,651).

CHAIRMAN'S STATEMENT CONTINUED

the first three quarter rent payments of the year. For the quarter ended 30 June 2021, the Board declared an increased dividend on the previous three quarters of 1.64 pps, underlining the continuing strength of the Group's collection of rent from our 100% let portfolio.

OUTLOOK

The fundamentals of certain property sectors in the UK appear robust and the Group's portfolio has proved resilient throughout the challenges of the COVID-19 pandemic, underpinned by robust rent collection and over 87% of our leases with inflation linked upwards only rent reviews. Furthermore, the Company's share price has substantially increased by 32.7% to 71 pence as at 30 June 2021 (as at 30 June 2020: 53.5 pence per share) narrowing the discount to our NAV.

As we look ahead, the Board remains confident that the Group will provide attractive total returns to our shareholders. This will principally take the form of fully covered dividends but also through other opportunistic initiatives, supported by our Investment Adviser.

I would like to thank my fellow shareholders, Directors, the Investment Adviser and our other advisers and service providers who have provided professional support and services to the Group.

Alan Sippetts

Chairman

29 September 2021

BUSINESS MODEL AND STRATEGY

INTRODUCTION

Alternative Income REIT plc is a real estate investment trust listed on the premium segment of the Official List of the Financial Conduct Authority ('FCA') and traded on the Main Market of the London Stock Exchange. As part of its business model and strategy, the Group has maintained and intends to maintain its UK REIT status.

INVESTMENT OBJECTIVE

The investment objective of the Group is to generate a secure and predictable income return, sustainable in real terms, whilst at least maintaining capital values, in real terms, through investment in a diversified portfolio of UK properties, in alternative and specialist sectors.

INVESTMENT POLICY

In order to achieve the investment objective, the Group invests in freehold and long leasehold properties across the whole spectrum of the UK property sector, but with a focus on alternative and specialist real estate sectors. Examples of alternative and specialist real estate sectors include, but are not limited to, leisure, hotels, healthcare, education, logistics, automotive, supported living and student accommodation.

In the event of a breach of the investment policy or the investment restrictions set out below, the AIFM, as advised by the Investment Adviser, shall inform the Board upon becoming aware of the same and, if the Board considers the breach to be material, notification will be made to a Regulatory Information Service and the AIFM, as advised by the Investment Adviser, will look to resolve the breach.

Any material change to the investment policy or investment restrictions of the Group may only be made with the prior approval of shareholders.

Investment Strategy

The Group focuses on properties which can deliver a secure income and preserve capital value, with an attractive entry yield. The Group has an emphasis on alternative and specialist property sectors to access the attractive value and capital preservation qualities which such sectors currently offer.

The Group will supplement this core strategy with active asset management initiatives for certain properties.

Subject at all times to the AIFM's (as advised by the Investment Adviser) assessment of their appeal and specific asset investment opportunities, permitted sectors include, but are not limited to the following: Healthcare; Leisure; Hotels and serviced apartments; Education; Automotive; Car parks; Residential;

Supported living; Student accommodation; Logistics; Storage; Communications; Supermarkets; and, subject to the limitations on traditional sector exposures below, Offices; Shopping centres; Retail and retail warehouses; and Industrial.

The Group is not permitted to invest in land assets, including development land which does not have a development agreement attached, agriculture or timber.

The focus will be to invest in properties to construct a portfolio with the following minimum targets:

- a WAULT, at the time of investment, in excess of 18 years;
- at least 85% of the gross passing rent will have leases with rent reviews linked to inflation (RPI or CPI) at the time of investment;
- investment in properties which typically have a value, at the time of investment, of between £2 million and £30 million;
- at least 70% of the properties will be in non-traditional sectors;
- less than 30% of the properties will be in the traditional sectors of Retail, Industrial and Offices; and
- over 90% of properties will be freehold or very long leasehold (over 100 years).

Once GAV is £250 million or greater, future investments will be made to target a portfolio with at least 80% of the properties in non-traditional sectors and less than 20% of the properties in traditional sectors.

Whilst each acquisition will be made on a case-by-case basis, it is expected that properties will typically offer the following characteristics:

- existing tenants with strong business fundamentals and profitable operations in those locations;
- depth of tenant/operator demand;
- alternative use value;
- current passing rent close to or below rental value; and
- long-term demand drivers, including demographics, use of technology or built-for-purpose real estate.

The Group may invest in commercial properties or portfolios of commercial property assets which, in addition, include ancillary or secondary utilisations.

The Group does not intend to spend any more than 5% of the NAV in any rolling twelve month period on (a) the refurbishment of previously occupied space within the existing Portfolio, or (b) the refurbishment of new properties acquired with vacant units.

The Group may invest in corporate and other entities that hold property and the Group may also invest in conjunction with third party investors.

BUSINESS MODEL AND STRATEGY

Investment Restrictions

GAV of less than £250 million

Investment in a single property limited to 15% of GAV (measured at the time of investment).

The value of assets in any sub-sector in one geographical region, at the time of investment, shall not exceed 15% of GAV.

GAV of £250 million or greater

Investment in a single property limited to 10% of GAV (measured at the time of investment).

Investments will be made with a view to reducing the maximum exposure to any sub-sector in one geographical region to 10% of GAV.

The value of assets in any one sector and sub-sector, at the time of investment, shall not exceed 50% of GAV and 25% of GAV respectively.

Exposure to a single tenant covenant will be limited to 15% of GAV.

The Group may commit up to a maximum of 10% of its GAV (measured at the commencement of the project) in development activities.

Investment in unoccupied and non-income producing assets will, at the time of investment, not exceed 5% of Estimated Rental Value ('ERV').

The Group will not invest in other closed-ended investment companies.

If the Group invests in derivatives for the purposes of efficient portfolio and cash management, the total notional value of the derivatives at the time of investment will not exceed, in aggregate, 20% of GAV.

The Group will invest and manage its assets with the objective of spreading risk through the above investment restrictions.

When the measure of GAV is used to calculate the restrictions relating to (i) the value of a single property and (ii) the value of assets in any sub-sector in one geographical region, it will reflect an assumption that the Group has drawdown borrowings such that these borrowings are equal to 30% of GAV.

Borrowings

The Group has utilised borrowings to enhance returns over the medium term. Borrowings have been utilised on a limited recourse basis for each investment on all or part of the total Portfolio and will not exceed 40% of GAV (measured at drawdown) of each relevant investment or of the portfolio.

KEY PERFORMANCE INDICATORS

KPI AND DEFINITION	RELEVANCE TO STRATEGY	PERFORMANCE
1. Net Initial Yield ('NIY')		5.93%
Annualised rental income based on the cash rents passing at the balance sheet date, less non-recoverable property operating expenses, divided by the market value of the property, increased with purchasers' costs estimated by the Group's External Valuers.	The NIY is an indicator of the ability of the Company to meet its target dividend after adjusting for the impacts of leverage and deducting operating costs.	At 30 June 2021 (30 June 2020: 5.77%)
2. Weighted Average Unexpired Lease Term ('WAULT') to break and expiry		17.8 years to break and 19.8 years to expiry
The average lease term remaining to expiry across the portfolio, weighted by contracted rent.	The WAULT is a key measure of the quality of the portfolio. Long leases underpin the security of our future income.	At 30 June 2021 (30 June 2020: 19.5 years to break and 21.6 years to expiry)
3. Net Asset Value ('NAV')		£68.89 million (85.58 pence per share ('pps'))
NAV is the value of an entity's assets minus the value of its liabilities.	Provides stakeholders with the most relevant information on the fair value of the assets and liabilities of the Group.	At 30 June 2021 (30 June 2020: £67.29 million, 83.58 pps)
4. Dividend		5.14 pps
Dividends declared in relation to the period are in line with the stated dividend target as set out in the Prospectus at IPO. The Company targets a dividend of 5.50 pence per Ordinary Share per annum once fully invested and leveraged.	The Company seeks to deliver a sustainable income stream from its portfolio, which it distributes as dividends.	For the year ended 30 June 2021 (30 June 2020: 5.00 pps)
5. Adjusted EPS		5.07 pps
Adjusted EPS from core operational activities, as adjusted for non-cash items. A key measure of a company's underlying operating results from its property rental business and an indication of the extent to which current dividend payments are supported by earnings. See Note 8 to the Consolidated Financial Statements.	This reflects the Company's ability to generate earnings from the portfolio which underpins dividends.	For the year ended 30 June 2021 (30 June 2020: 4.25 pps)
6. Leverage (Loan-to-GAV)		36.30%
The proportion of the Group's property that is funded by borrowings.	The Group utilises borrowings to enhance returns over the medium term. Borrowings will not exceed 40% of GAV (measured at drawdown).	At 30 June 2021 (30 June 2020: 37.0%)

EPRA UNAUDITED PERFORMANCE MEASURES

Detailed below is a summary table showing the EPRA performance measures in the Group.

MEASURE AND DEFINITION	PURPOSE	PERFORMANCE
EPRA NIY		5.94 %
Annualised rental income based on the cash rents passing at the balance sheet date, less non-recoverable property operating expenses, divided by the market value of the property, increased with (estimated) purchasers' costs.	A comparable measure for portfolio valuations. This measure should make it easier for investors to judge themselves, how the valuation of two portfolios compare.	At 30 June 2021 (30 June 2020: 5.72%)
EPRA 'Topped-up' NIY		6.95 %
This measure incorporates an adjustment to the EPRA NIY in respect of the expiration of rent-free periods (or other unexpired lease incentives such as discounted rent periods and step rents).	A comparable measure for portfolio valuations. This measure should make it easier for investors to judge themselves, how the valuation of two portfolios compare.	At 30 June 2021 (30 June 2020: 6.97%)
EPRA NAV		£68.89 million/85.58 pps
Net asset value adjusted to include properties and other investment interests at fair value and to exclude certain items not expected to crystallise in a long-term investment property business.	Makes adjustments to IFRS NAV to provide stakeholders with the most relevant information on the fair value the assets and liabilities within a real estate investment company with a long-term investment strategy.	At 30 June 2021 (30 June 2020: £67.29 million/83.58pps)
EPRA Earnings/EPS		£4.47 million/5.55 pps
Earnings from operational activities.	A key measure of a company's underlying operating results and an indication of the extent to which current dividend payments are supported by earnings.	EPRA earnings for the year ended 30 June 2021 (30 June 2020: £4.36 million/ 5.42pps)
EPRA Vacancy		0.00%
Estimated Rental Value ('ERV') of vacant space divided by ERV of the whole portfolio.	A 'pure' percentage measure of investment property space that is vacant, based on ERV.	EPRA Vacancy as at 30 June 2021 (30 June 2020: 0.00%)
EPRA Cost Ratio		18.4 %
Administrative and operating costs (including and excluding costs of direct vacancy) divided by gross rental income.	A key measure to enable meaningful measurement of the changes in a company's operating costs.	EPRA Cost Ratio for the year ended 30 June 2021 (30 June 2020: 21.1%)
EPRA Net Reinstatement Value		£72.53 million/90.09pps
The EPRA NRV adds back the purchasers' costs deducted from the EPRA NAV and deducts the break cost of bank borrowings.	A measure that highlights the value of net assets on a long-term basis.	EPRA NRV for the year ended 30 June 2021 (30 June 2020: £69.88 million/86.81pps)
EPRA Net Tangible Assets		£65.43 million/81.27pps
The EPRA NTA deducts the break cost of bank borrowings from the EPRA NAV.	A measure that assumes entities buy and sell assets, thereby crystallising certain levels of deferred tax liability. The Group has UK REIT status and as such no deferred tax is required to be recognised in the accounts.	EPRA NTA for the year ended 30 June 2021 (30 June 2020: £62.02 million/77.05pps)
EPRA Net Disposal Value		£65.43 million/81.27pps
The EPRA NDV deducts the break cost of bank borrowings from the EPRA NAV.	A measure that shows the shareholder value if assets and liabilities are not held until maturity.	EPRA NDV for the year ended 30 June 2021 (30 June 2020: 62.02 million/77.05pps)

EPRA NNNAV is equal to EPRA NAV as there are no adjusting items. As such this measure has not been presented.

INVESTMENT ADVISER'S REPORT

INTRODUCTION

The previous Investment Adviser's Report spoke in detail about changing the Group's investment principles, and whilst these remain closely monitored, the 12 months to June 2021 presented other obstacles, primarily COVID-19.

The current 19 assets, following the sale of Wet 'n' Wild on 31 July 2020 and the acquisition of Droitwich Spa Retail Park on 2 December 2020, continue to provide investors with long high yielding income, on average of c.18 years of which c.87% is linked to inflationary growth, adding 1.64% to income profile this year. The portfolio also provides investors with exposure to a diverse range of alternative investment sectors.

Through continued asset management and engagement with tenants, the portfolio has shown resilience to the impact of the COVID-19 pandemic and national lockdowns experienced by others. As at the June 2021 quarter day, 20% of the tenants are contractually invoiced monthly, whilst the remaining 80% are invoiced quarterly. Since the beginning of the COVID-19 pandemic, which for the purposes of this report is assumed to be 25 March 2020 (quarter day), the Group has collected 97.8% of all rent demanded, with the remaining 2.2% to be collected through payment plans over the next 12 months as outlined below.

During the year the Group completed the disposal of Wet 'n' Wild, North Shields at a significant premium to book value, and subsequently the proceeds were reinvested with the acquisition of Droitwich Spa Retail Park, at a yield which was materially higher than both the 6.0% exit yield on Wet 'n' Wild and the Group's 5.76% portfolio valuation yield at the time. This acquisition was the first introduced by M7 since appointment in May 2020. Following the performance by M7 in the delivery of services to the Company, the Board made the decision on 1 April 2021 to extend the Investment Advisory Agreement under which M7 will continue to provide the Company with investment advice, fund accounting and administration services.

The portfolio's resilience over the past year and its improving returns gives M7 optimism as to future performance.

MARKET OUTLOOK

UK Economic Outlook

The beginning of 2021 has seen the UK agree a deal for parting ways with EU and work its way through its third

national lockdown. Moreover, with the significant achievements of the vaccination programme, the UK is gradually following the government's steps for reopening the economy. Recent data shows improvement in retail spending and there are now renewed expectations for a medium-term recovery.

In early Q2 2021 it was reported that GDP growth figures supported a faster than expected return to normality due to large parts of the economy reopening and a successful vaccination programme. Economic growth is forecast to continue an upward trend, and was projected to result in an 8.0% year-on-year expansion in GDP in 2021. However, the rapid economic recovery from this year's COVID-19 restrictions hit the buffers in July as GDP rose by 0.1% month on month (m/m). That was weaker than the 1.0% m/m increase in June and was smaller than the consensus forecast of a 0.7% m/m gain.

Government stimulus, particularly through the furlough scheme and its latest extension, has been successful in softening the economic blow, with unemployment and the reduction in UK household income both less severe than expected. A substantial number of people have also left the labour force in the last year, which has made the impact appear less acute. As of June 2021, unemployment stands at 4.7%, it is likely that this will increase as the furlough scheme approaches its September 2021 end date. Nevertheless, employment is set to recover quicker than it has previously following other recessions since the economy's potential has not been permanently damaged.

The latest inflation data reported a jump in CPI from 2.1% in May to 2.5% in June 2021. The level of increase since Q1 2021 exceeded economists' expectations. However, they did project potential spikes as the economy reopened and as energy related effects took place. Inflation is expected to peak at 4.0% by the end of the year but will not stabilise to pre-pandemic levels until 2023, when inflation is set to be supported by a robust economic recovery. We have seen a strong monetary stimulus with interest rates decreasing to 0.1% and high levels of QE set to take place until the end of 2021. Capital Economics does not anticipate that the

INVESTMENT ADVISER'S REPORT

BoE will shift from the current interest rates at least until the end of 2022.⁴

UK Real Estate Outlook

The collection of commercial property rents, as calculated seven days after the June 2021 Quarter due date, reached the highest level achieved for any quarter during the pandemic so far at 66.5%⁵. This compares to a figure of 50.7% for the same period in 2020 and 60.5% for the March 2021 quarter.

Overall, the alternative and long-income space has fared better than expected during the global pandemic. Whilst this is in part due to various fiscal support measures implemented by the UK government, it does also stand testament to the secure and stable income streams that investment in long income and alternatives sectors offer.

Despite the headwinds witnessed during the last 18 months, occupancy and rent collection in the living sector have been largely resilient. Whereas, the student housing, hospitality and leisure sectors have been more severely affected, resulting from lockdown measures and restrictions on international travel. There is, however, a renewed sense of optimism surrounding these sectors, driven largely by increasing vaccination rates; however, progress is mixed.

The latest investment volume data for 2021 demonstrates a stable recovery, with the monthly figure now within 10.0% of the five-year average. This is particularly encouraging given that the year end volume for 2020 (£42.7bn) was 15.0% below the 2019 figure and the lowest annual volume since 2012. The investment volume for 2020 was largely buoyed by the fourth quarter, which contributed £19.4bn, a 6.0% increase compared Q4 2019.⁶

The 'All Property Yield' as of May 2021 is ca. 5.2% compared to ca. 5.3% at the same time last year. This has largely been driven by e-commerce which continues to strengthen, propelling demand for multi-let industrial, distribution warehouses and retail warehouses. This in turn has resulted in hardening of transaction yields and growth in investment volumes. Specifically, multi-let industrial has seen 100bps compression compared with the pre-lockdown prime yield, now standing at 3.5% (in line with west end offices). Office and hospitality property transactions remain scarce but reportedly there are signs of recovery with prime yields at 5.0% and 5.3% for provincial offices and regional pubs respectively. Shopping

centres, however, remain under pressure having seen yields move out by 150bps year on year to 6.8%.⁷

It is expected that investment activity will recuperate in the second half of 2021, following the easing of lockdown restrictions. Additionally, according to RICS commercial survey (Q1 2021) most surveyors reported a rise in investment enquiries. However, factors such as debt availability will likely weigh on investors as lenders will become more cautious.⁸

The outlook for 2021 investment volumes stands just above £50.0bn, which is a ca. 20.0% increase from 2020. It is expected that upcoming investment themes will include the rebalancing of portfolios away from underperforming sectors such as retail and secondary offices. In return, investors are increasingly targeting the alternative sectors, such as life sciences and data centres. These specialised sectors have proved to be resilient throughout the COVID-19 pandemic. Globally, investors see the UK as a leader in life sciences and thus, they are increasingly keen to deploy capital. Data centres are also receiving increased attention, underpinned by demand for flexible work patterns and cloud computing. Lastly, there is also a growing interest from investors in operational assets and the living sector.⁹

A global pandemic, Brexit transition and ongoing economic slowdown has seen central banks keep interest rates low. Despite economic uncertainty, the UK property market continues to deliver healthy spreads over government bond yields, both in absolute terms and relative to other markets. This, coupled with post-pandemic inflationary pressure is further securing the appeal of index-linked income, as well as growth sectors linked to social infrastructure such as distribution, last-mile logistics, supermarkets, and the living sector.

Portfolio Activity during the Year

The following asset management initiatives were undertaken during the year:

- **Rent Reviews:** A total of nine rent reviews took place during the period with a combined uplift of £106,372 representing a 1.64% increase in contracted rent across the portfolio.
- **Droitwich** – Droitwich Spa Retail Park was acquired for £4.75m on 2 December 2020.
- **Dudley** – Licence to Alter is imminent in respect of a major investment by Meridian Steel in their Dudley

INVESTMENT ADVISER'S REPORT

operation. They are spending circa £3.5m on new machinery and cranes.

- **Huddersfield:** Network Rail are proposing electrification of the adjacent rail track. Part of the property, adjacent to the road, is identified for compulsory purchase
- **Pocket Nook Estate, St Helens:** Discussions are ongoing with Boulting Group for a lease extension of 3/5 years on expiry of their lease in April 2022 at an increased rent. Terms have also been agreed for Boulting Group to take occupation of part of Mr Tox's yard, following his part surrender. Ayrshire Metals have closed their operation in St Helens. They have limited alienation provisions so a joint disposal together with a split of the marriage value is being negotiated.
- **Travelodge, Swindon:** Travelodge Hotels Limited filed for a CVA and creditor and shareholder meetings were held on 19 June 2020 with landlords voting in favour of the proposal. Under the CVA, Travelodge Swindon is a Category B hotel and as such 25% of the Q2, Q3 and Q4 2020 rent and 70% of the 2021 rent will be payable. As part of the CVA the landlord has been able to extend the lease by 36 months. 100% rent becomes due from 1 January 2022. Work started in September 2020 to replace the combustible cladding elements uncovered on the external walls of the top floors and rear lift core of the Travelodge Hotel, with non-combustible replacements and to remediate the fire/smoke stopping. The work completed in December 2020 at a cost (including professional fees) of c.£1.1 million. The cladding was installed when the property was extended in 2007 and both the architect and cladding sub-contractor involved are being pursued for reimbursement of the costs.
- **North Shields:** Wet 'n' Wild was sold for £3 million on 31 July 2020.

Financial Results

Net rental income earned from the portfolio for the year was £7.21 million excluding service charge and direct recharge (30 June 2020: £7.35 million), contributing to an operating profit before fair value changes of £6.31 million (30 June 2020: £5.80 million).

The portfolio has seen a gain of £0.68 million in fair value of investment property during the year (30 June 2020: loss of £9.41¹⁰ million).

Administrative and property operations expenses, which include the Investment Manager's fee and other costs attributable to the running of the Group, were £1.32 million for the year excluding service and direct recharges (30 June 2020: £1.55 million). Ongoing charges as a percentage of

net asset value for the year were 1.27% (30 June 2020: 2.22%).

The Group incurred finance costs of £1.42 million during the year (30 June 2020: £1.44 million).

The total profit before tax for the year of £5.57 million (30 June 2020: loss before tax of £5.05 million) equates to a basic profit per share of 6.92 pence (30 June 2020: loss of 6.27 pence).

EPRA EPS for the year was 5.55 pence which, based on dividends declared of 5.14 pence, reflects a dividend cover of 108.0% (30 June 2020: EPRA earnings of 5.42 pence, dividends declared of 5.00 pence and dividend cover of 108.4%).

Adjusted EPRA EPS for the year which equates to cash generated from operations (and therefore excludes movements in accrued minimum contracted uplifts, the amortisation of loan arrangement fees and movements in the provision for impairment of trade receivables) were 5.07 pence which, based on dividends declared of 5.14 pence, reflect a dividend cover of 98.6% (30 June 2020: Adjusted earnings per share of 4.25 pence, dividends declared of 5.00 pence and dividend cover of 85.0%).

¹⁰ The fair value decrease includes accounting adjustments relating to rent smoothing of (£0.60m) and movement in finance lease obligation of £0.05m.

INVESTMENT ADVISER'S REPORT CONTINUED

The Group's NAV as at 30 June 2021 was £68.89 million or 85.58 pps (30 June 2020: £67.29 million or 83.58 pps). This is an increase of 2.00 pps or 2.4 % over the year, with the underlying movement in NAV set out in the table below:

	Year ended 30 June 2021		Year ended 30 June 2020	
	Pence per share	£ million	Pence per share	£ million
NAV as at beginning of year	83.58	67.29	94.81	76.32
Gain on disposal of investment property	0.53	0.42	–	–
Change in fair value of investment property	0.85	0.68	(11.69)	(9.41)
Income earned for the year	9.20	7.41	9.70	7.81
Finance costs for the year	(1.77)	(1.42)	(1.79)	(1.44)
Other expenses for the year	(1.89)	(1.52)	(2.50)	(2.01)
Dividends paid during the year	(4.92)	(3.97)	(4.95)	(3.98)
NAV as at the end of the year	85.58	68.89	83.58	67.29

Improvement in valuation

There has been an overall 4.3% increase in the portfolio valuation since 30 June 2020. When removing Droitwich Spa Retail Park, Droitwich and analysing the core 18 assets that were held over the period, this figure becomes 2.1%. There have been valuation improvements across the portfolio's industrial assets, as this is an asset class that has continued to perform well during the COVID-19 pandemic. Additionally, there has been a £1.7 million increase in value at Travelodge, Swindon predominantly driven by the completion of the cladding rectification works.

Dividends

Refer to Note 9 of the Consolidated Financial Statements for details.

Financing

As at 30 June 2021, the Group had fully utilised its £41 million loan facility with Canada Life Investments (30 June 2020: £41 million facility fully utilised). This term facility, which is repayable on 20 October 2025, allows up to 35% loan to property value at drawdown and is provided on a portfolio basis and has a loan to value covenant of 60%.

The weighted average interest cost of the Group's £41 million facility is 3.19% (30 June 2020: 3.19%).

SECTION 172(1) STATEMENT

The following disclosure describes how the directors have had regard to the matters set out in section 172(1)(a) to (f) when performing their duty under s172 and forms the directors' statement required under section 414CZA of the Act.

This section describes how the Board has regard to the likely consequences of any decision in the long term, the need to foster the Company's business relationships with suppliers, customers and others, the desirability of the Company maintaining a reputation for high standards of business conduct, and the need to act fairly as between members of the Company. The Company does not have any employees and therefore s172(1)(b) is not applicable to the Company. The impact of the Company's operations on the community and the environment is set out more fully in the Environmental, Social and Governance section on page 44.

STAKEHOLDER	ISSUES OF IMPORTANCE	ENGAGEMENT	EFFECT OF ENGAGEMENT ON KEY DECISIONS
Shareholders			
The Group's investment objective is to deliver an attractive total return to shareholders. Shareholders are directly impacted by the performance of the Company both through equity growth and dividends.	<ul style="list-style-type: none"> • Strong total shareholder return • Dividend cover and target • Long-term income stream linked to inflationary growth • Robust corporate governance structure and well-performing service providers • Strategic direction of the Company 	Shareholder engagement is set out on page 3.	The effect of shareholder engagement has fed into each aspect of the Board's decision-making. Shareholders have been temporarily impacted through a limited reduction of the interim dividends due to the wider effects of the COVID-19 pandemic. However, the total aggregate dividends for the year have increased compared to the prior year and the Board has also worked to keep expenses at a reduced level to optimise total shareholder return.
Service Providers			
In the second half of the previous year, the Board made several changes to its key service providers. Whilst keeping expenses at a reduced level, it is confident that the service providers have performed well and have improved its corporate governance processes.	<ul style="list-style-type: none"> • Reputation of the Company, including its impact on the community, environment, and maintaining high standards of business conduct • Fair and transparent service agreements • Effective relationship with the Board and other key service providers 	<ul style="list-style-type: none"> • Effective and consistent engagement both through formal Board meetings and regularly outside the meetings with the Board 	Clear and effective strategic oversight by the Board has been crucial to enhancing the effectiveness of the Company's key service providers. The Board has worked closely with its service providers to maintain and continually improve processes to ensure that the Company receives best value and good quality service.
Tenants			
Tenants with strong business fundamentals and profitable operations are one of the key components to ensure a consistent income stream and ability to pay dividends to the Company's shareholders	<ul style="list-style-type: none"> • Working closely during the COVID-19 pandemic with the Group's service providers, and offering assistance where required • Fair lease terms • Long-term strategy and alignment with the tenant's business operations 	<ul style="list-style-type: none"> • Regular dialogue with the Investment Adviser, Property Manager and other key service providers as appropriate • The service providers have developed an effective working relationship with the Company's tenants 	Due to the ongoing impact of the COVID-19 pandemic, the Board has recognised the challenges faced by tenants and has granted concessions for a limited period for some tenants to settle rent monthly, the objective being to provide proportional assistance to those tenants whose operations were materially impacted. Despite this and the Travelodge CVA, the Board delivered an increased total aggregate dividend for the year compared to the prior year.

PRINCIPAL RISKS AND UNCERTAINTIES

The Group’s assets consist of UK commercial property. Its principal risks are therefore related to the commercial property market in general, but also to the particular circumstances of the individual properties and the tenants within the properties.

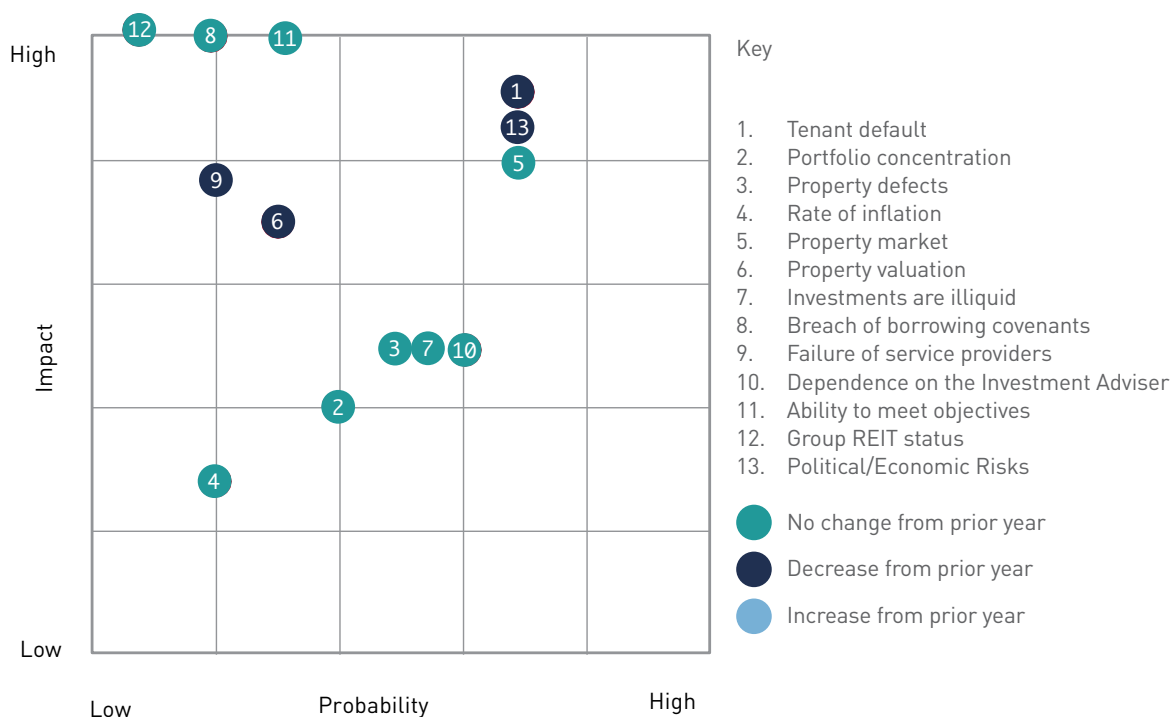

The Board has overall responsibility for reviewing the effectiveness of the system of risk management and internal control which is operated by the Alternative Investment Fund Manager (‘AIFM’) and, where appropriate, the Investment Adviser. The Group’s ongoing risk management process is designed to identify, evaluate and mitigate the significant risks the Group faces.

Twice each year, the Board undertakes a risk review with the assistance of the Audit Committee, to assess the adequacy and effectiveness of the AIFM’s and, where appropriate, the Investment Adviser’s risk management and internal control processes.

The Board has carried out an assessment of the principal risks facing the Group, including those that would threaten its business model, future performance, solvency or liquidity.

An analysis of the principal risks and uncertainties is set out in the table below. This does not purport to be exhaustive as some risks are not yet known and some risks are currently not deemed material but could turn out to be material in the future.

PRINCIPAL RISKS

The matrix above illustrates the assessment of the impact and probability of the principal risks identified, explanations of which are set out pages 21 to 24.

PRINCIPAL RISKS AND UNCERTAINTIES CONTINUED

PRINCIPAL RISKS AND THEIR POTENTIAL IMPACT	HOW RISK IS MANAGED	RISK ASSESSMENT
REAL ESTATE RISKS		
1. Tenant default		
<p>Failure by tenants to comply with their rental obligations could affect the income that the properties earn and the ability of the Group to pay dividends to its shareholders.</p> <p>Where the COVID-19 pandemic has a material impact on a tenant's business, tenants may be unable to comply with rental obligations.</p>	<p>Our investment policy limits our exposure to any one tenant to 15% of Gross Asset Value. Our maximum exposure to any one tenant (calculated by GAV) is 9.8% as at 30 June 2021. The Group benefits from a balanced portfolio with a diversified tenant base and is therefore not reliant on a single tenant or sector.</p> <p>In the due diligence process prior to acquiring a property, covenant checks are carried out on tenants which are repeated on a regular basis.</p> <p>The Investment Adviser and Property Manager conduct ongoing monitoring and liaison with tenants to manage potential bad debt risk.</p> <p>During the COVID-19 pandemic the Group has, where appropriate, granted concessions for a limited period to certain tenants to settle their rent monthly.</p>	<p>Probability: Moderate to high</p> <p>Impact: High</p> <p>Movement: Decrease in probability from high to moderate to high as a result of the strong and resilient rent collection throughout the portfolio, easing of lockdown measures and tenants demonstrating their ability to meet agreed payment plans</p>
2. Portfolio concentration		
<p>Any downturn in the UK and its economy or regulatory changes in the UK could have a material adverse effect on the Group's operations or financial condition. Greater concentration of investments in any sector or exposure to the creditworthiness of any one tenant or tenants may lead to greater volatility in the value of the Group's investments, NAV and the Company's share price.</p>	<p>The Group has investment restrictions in place to invest and manage its assets with the objective of spreading and mitigating risk.</p>	<p>Probability: Low to moderate</p> <p>Impact: Low to moderate</p> <p>Movement: No change</p>
3. Property defects		
<p>Due diligence may not identify all the risks and liabilities in respect of an acquisition (including any environmental, structural or operational defects) that may lead to a material adverse effect on the Group's profitability, the NAV and the Company's share price.</p>	<p>The Group's due diligence relies on the work (such as legal reports on title, property valuations, environmental, building surveys) outsourced to third parties that have appropriate Professional Indemnity cover in place.</p>	<p>Probability: Moderate</p> <p>Impact: Moderate</p> <p>Movement: No change</p>
4. Rate of inflation		
<p>Rent review provisions may have contractual limits to the increases that may be made as a result of the rate of inflation. If inflation is in excess of such contractual limits, the Group may not be able to deliver targeted returns to shareholders.</p>	<p>The inflation linked (RPI/CPI) leases in the portfolio have contractual rent review collars, with the lowest floor being 0%, and caps that range from 3% to no cap. The caps are in excess of RPI and CPI forecasts during the next five-year rent review cycle and therefore based on forecasts, the risk is somewhat mitigated.</p>	<p>Probability: Low</p> <p>Impact: Low to moderate</p> <p>Movement: No change</p>

REAL ESTATE RISKS CONTINUED		
<p>5. Property market</p> <p>Any recession or future deterioration in the property market could, inter alia, (i) lead to an increase in tenant defaults, (ii) make it difficult to attract new tenants for its properties, (iii) lead to a lack of finance available to the Group, (iv) cause the Group to realise its investments at lower valuations; and (v) delay the timings of the Group's realisations.</p> <p>Any of these factors could have a material adverse effect on the ability of the Group to achieve its investment objective.</p>	<p>The Group has investment restrictions in place to invest and manage its assets with the objective of spreading and mitigating risk.</p> <p>Most of the leases provide a relatively long unexpired term and contain upward only rent reviews which are linked to either RPI or CPI. Because of these factors, the Group expects that the assets will show less volatile valuation movement over the long term.</p>	<p>Probability: Moderate to high</p> <p>Impact: Moderate to high</p> <p>Movement: No change</p>
<p>6. Property valuation</p> <p>Property is inherently difficult to value due to the individual nature of each property.</p> <p>There may be an adverse effect on the Group's profitability, the NAV and the Company's share price in cases where properties are sold whose valuations have previously been materially overstated.</p>	<p>The Group uses an independent valuer (Knight Frank LLP) to value the properties on a quarterly basis at fair value in accordance with accepted RICS appraisal and valuation standards.</p>	<p>Probability: Low to moderate</p> <p>Impact: Moderate to high</p> <p>Movement: Decrease in probability from moderate to low to moderate due to material uncertainty clause being removed from Knight Frank's valuation as at 30 June 2021</p>
<p>7. Investments are illiquid</p> <p>The Group invests in commercial properties. Such investments are illiquid; they may be difficult for the Group to sell and the price achieved on any realisation may be at a discount to the prevailing valuation of the relevant property.</p>	<p>The Group aims to hold the properties for long-term income.</p>	<p>Probability: Moderate</p> <p>Impact: Moderate</p> <p>Movement: No change</p>
BORROWING RISKS		
<p>8. Breach of borrowing covenants</p> <p>The Group has entered into a term loan facility.</p> <p>Material adverse changes in valuations and net income may lead to breaches in the LTV and interest cover ratio covenants.</p> <p>If the Group is unable to operate within its debt covenants, this would lead to default and the loan facility being recalled. This could result in the Group selling properties to repay the loan facility.</p>	<p>The Group monitors the use of borrowings on an ongoing basis through regular cash flow forecasting and quarterly risk monitoring to monitor financial covenants.</p> <p>The Group's gearing at 30 June 2021 was 36.3%, below our maximum gearing (on a GAV basis on drawdown) of 40% and materially below the loan's default covenant of 60%. Borrowing is carefully monitored by the Group, and action will be taken to conserve cash where necessary to ensure that this risk is mitigated.</p> <p>There is significant headroom in the LTV and interest cover covenants in the loan agreement.</p>	<p>Probability: Low</p> <p>Impact: High</p> <p>Movement: No change</p>

PRINCIPAL RISKS AND UNCERTAINTIES CONTINUED

PRINCIPAL RISKS AND THEIR POTENTIAL IMPACT	HOW RISK IS MANAGED	RISK ASSESSMENT
CORPORATE RISKS		
9. Failure of service providers		
<p>The Group has no employees and is reliant upon the performance of third-party service providers.</p> <p>Failure by any service provider to carry out its obligations to the Group in accordance with the terms of its appointment could have a materially detrimental impact on the operation of the Group.</p> <p>Should the Group pursue litigation against service providers, there is a risk that the Company may incur costs that are irrecoverable if litigation is unsuccessful.</p>	<p>The performance of service providers in conjunction with their service level agreements is monitored regularly and the use of Key Performance Indicators, where relevant.</p> <p>The Management Engagement Committee reviews the performance and continuing appointment of service providers on an annual basis.</p>	<p>Probability: Low to moderate</p> <p>Impact: Moderate to high</p> <p>Movement: Decrease in probability from moderate to low to moderate. The Board has lowered this risk due to the continued strong performance of the Group's current service providers</p>
10. Dependence on the Investment Adviser		
<p>The future ability of the Group to successfully pursue its investment objective and investment policy may, among other things, depend on the ability of the service providers to retain its existing staff and/or to recruit individuals of similar experience and calibre, and effectively carry out its services.</p>	<p>The Board meets regularly with, and monitors, all of its service providers, including the Investment Adviser, to ensure close positive working relationships are maintained.</p> <p>The dependence on the Investment Adviser is managed through segregating the roles of AIFM and Investment Adviser.</p>	<p>Probability: Moderate</p> <p>Impact: Moderate</p> <p>Movement: No change</p>
11. Ability to meet objectives		
<p>The Group may not meet its investment objective to deliver an attractive total return to shareholders from investing predominantly in a portfolio of smaller commercial properties in the UK.</p> <p>Poor relative total return performance may lead to an adverse reputational impact that affects the Group's ability to raise new capital and new funds.</p>	<p>The Group has an investment policy to achieve a balanced portfolio with a diversified tenant base. This is reviewed by the Board at each scheduled Board meeting.</p> <p>The Group's property portfolio has a WAULT to break of 17.8 years and a WAULT to expiry of 19.8 years. Further, over 87.0% of leases have inflation linked upwards only rent reviews, representing a secure income stream on which to deliver attractive total returns to shareholders.</p>	<p>Probability: Low to moderate</p> <p>Impact: High</p> <p>Movement: No change</p>

PRINCIPAL RISKS AND UNCERTAINTIES CONTINUED

PRINCIPAL RISKS AND THEIR POTENTIAL IMPACT	HOW RISK IS MANAGED	RISK ASSESSMENT
TAXATION RISK		
<p>12. Group REIT status</p> <p>The Group has UK REIT status that provides a tax-efficient corporate structure.</p> <p>If the Group fails to remain a REIT for UK tax purposes, its profits and gains will be subject to UK corporation tax.</p> <p>Any change to the tax status or in UK tax legislation could impact on the Group's ability to achieve its investment objectives and provide attractive returns to shareholders.</p>	<p>The Company monitors REIT compliance through the Investment Adviser and Administrator on acquisitions and disposals and distribution levels; the Registrar and Broker on shareholdings and third party tax advisors to monitor REIT compliance requirements.</p>	<p>Probability: Low</p> <p>Impact: High</p> <p>Movement: No change</p>
POLITICAL/ECONOMIC RISKS		
<p>13. Political/Economic Risks</p> <p>Political and macroeconomic events present risks to the real estate and financial markets that affect the Group and the business of our tenants.</p> <p>The economic disruption arising from the COVID-19 pandemic in addition to any arrangements made, or lack thereof, between the UK and the EU following the end of its transition period could impact the ability of the Group to raise capital and/or increase the regulatory compliance burden on the Group.</p>	<p>The Group only invests in UK properties with strong alternative use values and long leases so the portfolio is well positioned to withstand an economic downturn.</p>	<p>Probability: Moderate to high</p> <p>Impact: Moderate to high</p> <p>Movement: Decrease in probability from high to moderate to high due to the roll out of the vaccine programme and removal of national lockdown measures throughout the UK</p>

EMERGING RISKS

Introduction of, or amendment to, laws and regulations (especially in relation to climate change)

The global ambition for a more sustainable future has never been greater, particularly in light of recent events such as the COVID-19 pandemic and various climate-related events across the globe. There is increasing pressure for governments and authorities to enforce environmental-related legislation, which may require the Company to adapt its properties in line with legislation in future. The Board will continue to monitor ongoing legal and regulatory developments.

GOING CONCERN AND VIABILITY STATEMENT

GOING CONCERN

The Group has considered its cash flows, financial position, liquidity position and borrowing facilities.

The Group's unrestricted cash balance as at 30 June 2021 was £2.12 million, of which £0.66 million was readily available for potential investments. As at 30 June 2021, the Group had headroom against its borrowing covenants. The Group is permitted to utilise up to 40% of GAV measured at drawdown with a Loan to GAV of 36.30% as at 30 June 2021.

A 'severe but plausible downside' scenario has also been projected. While rent collections have been strong, this scenario anticipates further rent deferrals and write-offs where tenants would have difficulty paying rents from operational cash flows. In this scenario the Group still has adequate headroom against the interest cover covenant and positive cash balances. Further detail of the assumptions made in assessing the adaption of Group's going concern basis can be found in Note 2.

The Group benefits from a secure, diversified income stream from leases which are not overly reliant on any one tenant or sector. As a result, the Directors believe that the Group is well placed to manage its financing and other business risks. The Directors believe that there are currently no material uncertainties in relation to the Group's and Company's ability to continue for a period of at least 12 months from the date of these financial statements. The Board is, therefore, of the opinion that the going concern basis adopted in the preparation of the financial statements is appropriate.

VIABILITY STATEMENT

In accordance with provision 30 of the UK Code, the Directors have assessed the prospects of the Group over a period longer than the 12 months required by the 'Going Concern' provisions. The Board has considered the nature of the Group's assets and liabilities and associated cash flows and has determined that three years, up to 30 June 2024, is a realistic timescale over which the performance of the Group can be forecast with a degree of accuracy and so is an appropriate period over which to consider the Group's viability.

Considerations in support of the Company's viability over this three year period include:

1. The current unexpired term under the Group's debt facilities stands at 4.3 years.
2. The Group's property portfolio had a WAULT to break of 17.8 years and a WAULT to expiry of 19.8 years as at 30 June 2021, representing a secure income stream for the period under consideration.
3. A major proportion of the leases contain an annual, three or five year rent review patterns and therefore three years allow for the forecasts to include the reversion arising from most rent reviews.

The three year review considers the Company's cash flows, dividend cover, REIT compliance and other key financial ratios over the period. In assessing the Company's viability, the Board has carried out a thorough review of the Company's business model, including future performance, liquidity and banking covenant tests for a three year period. In particular relating to the impact of the COVID-19 pandemic, the Directors have assessed the extent of any operational disruption; potential curtailment of rental receipts; potential liquidity and working capital shortfalls; and diminished demand for Company's assets going forward, in adopting a going concern preparation basis and in assessing the Company's longer-term viability. The viability statement has been prepared assuming that the continuation vote in 2022 will be passed.

These assessments are subject to sensitivity analysis, which involves flexing a number of key assumptions and judgements included in the financial projections:

- The anticipated level of rents deferred or written off due to the impact of the COVID-19 pandemic;
- Tenant default;
- Dividend payments; and
- Property portfolio valuation movements.

Based on the prudent assumptions within the Company's forecasts regarding rent deferrals, tenant default, void rates and property valuation movements, the Directors expect that over the three year period of their assessment:

- LTV covenants will not be breached – as at 30 September 2021, the asset valuations and rental income of the 17 properties secured to Canada Life would need to fall by 18% and 24% respectively before breaching the Loan to Value loan and Income Cover Cash Trap covenants respectively;
- REIT tests are complied with; and
- That the Group and Company will be able to continue in operation and meet its liabilities as they fall due over the three year period of their assessment.

BOARD APPROVAL OF THE STRATEGIC REPORT

The Strategic Report has been approved and signed on behalf of the Board by:

A handwritten signature in black ink, appearing to read 'Alan Sippetts', written in a cursive style.

Alan Sippetts
Chairman

29 September 2021

BOARD OF DIRECTORS

Alan Sippetts, independent non-executive Chairman

Appointed 8 May 2017

Appointed as non-executive Chairman on 1 May 2021

Alan was investment director, head of investment research at Heartwood Wealth Management, a UK subsidiary of Svenska Handelsbanken AB, from 2007 to 2016, where he led the research, due diligence and governance processes of all investments and was responsible for commercial property. Alan oversaw investment and research across all asset classes in collective schemes, including funds, trusts and REITs at Lloyds Private Bank from 2001 to 2006. Prior to that, from 1992 to 2001, he was head of UK smaller companies at Legal & General Investment Management Limited where he was responsible for all aspects of UK smaller listed and pre-IPO investments. Alan started his investment career at PosTel (Hermes) Investment Management in 1987.

Alan is non-executive director at Close Asset Management (UK) Ltd and Independent Investment Consultant at discretionary manager Eden Park Investment Management Ltd. He holds a B.Sc. in Management Science-Economics from Lancaster University, where today he is honorary teaching fellow at the Management School. He is a fellow of the Chartered Institute for Securities & Investment.

Jim Prower, independent non-executive Director

Appointed 8 May 2017, and to resign with effect from 1 October 2021

Jim has worked in industry and commerce since 1985, having qualified as a Chartered Accountant at Peat, Marwick, Mitchell & Co in 1979. He performed the roles of finance director and company secretary at Minty plc from 1987 to 1989, Creston Land & Estates plc from 1989 to 1995 and NOBO Group plc from 1995 to 1997, before joining Argent Group plc in the same roles. Between 2009 and 2015, he was closely involved with the development and delivery of King's Cross Central (now a joint venture between AustralianSuper, the BT Pension Scheme and Argent's management), where he was primarily responsible for raising debt for development investment and working capital, as well as reporting to the joint venturers. Between November 2012 and 31 December 2015, together with other senior Argent personnel, Jim was a member of Argent (Property Development) Services LLP which had acquired Argent Group's property development and management businesses in late 2012. Jim continues to be a partner of Argent King's Cross Limited Partnership which retains an interest in some of King's Cross Central. Until March 2019, he was a non-executive director of Tritax Big Box REIT plc.

In addition to being a non-executive director of the Company, Jim acts as the Senior Independent Director and chairs the Audit Committee of Empiric Student Property plc and as non-executive Director of The PRS REIT plc.

Adam C Smith, non-executive Director

Appointed 8 March 2021

Adam is currently a Director of Glenstone Property plc listed on The International Stock Exchange (TISE) in Guernsey and is a public limited company incorporated in England & Wales which qualifies as a UK real estate investment trust. Prior to this he was appointed Managing Director of the London and Surrey group of companies and in 2016, he initiated and successfully completed the merger of these companies with Glenstone Property plc. Formerly an investment and leasing agent with Edwin Hill Chartered Surveyors (now Altus Group), he is a professional member of the Royal Institution of Chartered Surveyors.

Stephanie Eastment, independent non-executive Director

As announced on 29 September 2021, Stephanie has been appointed as an independent non-executive Director with effect from 1 October 2021

Stephanie is a non-executive director and audit chair of Murray Income Trust plc, Herald Investment Trust plc and Impax Environmental Markets plc, and an independent non-executive director of RBS Collective Investments Funds Limited. She is a Fellow of the Institute of Chartered Accountants in England and Wales, a Fellow of The Chartered Governance Institute and a member of the Technical Committee of the Association of Investment Companies. Previously Stephanie was Head of Specialist Funds Company Secretariat and Accounts at Invesco Perpetual, where she had worked since 1996 specialising in the asset management industry with particular focus on investment trusts. Her career spans over 30 years working in financial services including roles at UBS, Wardley Investment Services International and KPMG.

GOVERNANCE

This Corporate Governance Statement comprises pages 28 to 33 and forms part of the Directors' Report.

Statement of Compliance

During the period, the Board of Alternative Income REIT plc has considered the principles and provisions of the UK Corporate Governance Code ('UK Code'), issued by the Financial Reporting Council in July 2018. The UK Code can be viewed at: <https://www.frc.org.uk/directors/corporate-governance-and-stewardship/uk-corporate-governance-code>.

The Board considers that some provisions are not relevant to the Company, being an externally managed investment company. In particular, all of the Group's day-to-day management and administrative functions are outsourced to third parties and as a result, the Company has no executive directors, employees or internal operations.

The Board has reviewed the principles and provisions of the UK Code, and considers that it has complied throughout the year, except as disclosed below:

1. Principle E. The Company does not have a workforce as noted above. Similarly, the Company has not applied provision 6 or the relevant parts of provision 5 and provision 33 for the same reason.
2. Provision 17 and 23. Given the structure and size of the Board, the Board does not consider it necessary to appoint a separate Nomination Committee. The roles and responsibilities normally reserved for this committee are matters for the full Board.
3. Provision 24. Alan Sippetts is a member of the Audit Committee and Chairman of the Board, and Adam C Smith is also a member of the Audit Committee although he is considered not to be independent. Given the size and structure of the Board it was deemed in best interest of shareholders to have the breadth of experience of all Directors, Jim Prower, Alan Sippetts and Adam C Smith, throughout the audit process.
4. Provision 32. Given the simple and transparent remuneration policy, during the year the Board have reorganised its Committees such that the remuneration matters, formerly falling under the remit of the previous Management Engagement and Remuneration Committee, are matters for the full Board. The Management Engagement and Remuneration Committee was reorganised to the Management Engagement Committee on 1 May 2021.
5. Provisions 36 to 40. The Company does not have executive directors. With respect to provision 39, Directors are not appointed for a specific term as all Directors are non-executive and the Company has adopted a policy of all Directors standing for annual re-election in line with the UK Code.

Responsibilities

The Board of Directors is collectively responsible for the long-term success of the Group. It provides overall leadership, sets the strategic aims of the Group and ensures that the necessary resources are in place for the Group to meet its objectives and fulfil its obligations to shareholders within a framework of high standards of corporate governance and effective internal controls.

The Directors are responsible for the determination of the Group's investment policy and investment strategy and have overall responsibility for the Group's activities, including the review of investment activity and performance.

The Board is also responsible for the control and supervision of the AIFM and Investment Adviser. The Board ensures the maintenance of a sound system of internal controls and risk management and reviews the overall effectiveness of systems in place. They are responsible for approval of any changes to the capital, corporate and/or management structure of the Group.

The Board does not routinely involve itself in day-to-day business decisions but there is a formal schedule of matters that require the Board's specific approval, as set out below, as well as those which can be delegated to the Board committees and the AIFM. The Board retains responsibility for all such delegated matters.

The AIFM is responsible for portfolio management and risk management of the Group pursuant to AIFM Directive, ('AIFMD')

GOVERNANCE CONTINUED

The Directors have adopted a formal schedule of matters reserved for decision by the Board. These include the following:

1. Oversight of the Group's operations;
2. Appointment and removal of the Company's key service providers;
3. Alterations to the Company's capital or corporate structure;
4. Approval of half-yearly and annual report and accounts and declaration of dividends;
5. Ensuring the maintenance of a sound system of internal controls;
6. Oversight of AIFM functions;
7. Contracts not in the ordinary course of business;
8. Raising of new capital and major financing facilities;
9. Determining the remuneration of the directors, subject to the articles of association and shareholder approval as appropriate;
10. Approval of all policies, and specific risk management policies including insurance, borrowing limits and corporate security;
11. Board appointments and removals; and
12. Any decision likely to have a material impact on the Company or Group.

Composition

The Board consists of a non-executive Chairman and two non-executive Directors. Alan Sippetts and Jim Prower were considered independent on and since their appointment. The Board have considered and determined that Adam C Smith is not an independent director on and since his appointment. He is not considered to be independent as he is a director of Glenstone Property plc, one of the Company's largest shareholders, which the Board have considered to be a circumstance that impairs his independence in accordance with provision 10 of the UK Code. All Directors are independent of the AIFM and Investment Adviser. Steve Smith resigned as the independent non-executive Chairman on 1 May 2021, and Alan Sippetts was appointed as independent non-executive Chairman on the same date. As announced on 29 September 2021, Stephanie Eastment has been appointed as an independent non-executive Director and the Audit Chair with effect from 1 October 2021, and Jim Prower will resign as independent non-executive Director and Audit Chair with effect from 1 October 2021.

The Directors' other principal commitments are listed on page 27. During the year, the Board was satisfied that all Directors were able to commit sufficient time to discharge their responsibilities effectively having given due consideration to their other significant commitments.

The Directors were advised on appointment of the expected time required to fulfil their roles and have confirmed that they remain able to make that commitment. All changes in any Director's commitments outside the Group are required to be disclosed and approved prior to the acceptance of any such appointment. No external appointments were accepted during the year.

Chairman

The Chairman leads the Board and is responsible for its overall effectiveness in directing the Company. He promotes a culture of openness and debate and facilitates constructive Board relations and the effective contribution of all Directors. In liaison with the Company Secretary, he ensures that the Directors receive accurate, timely and clear information. He demonstrates an objective judgement and promotes a culture of openness and constructive debate to ensure the effective contribution of all Directors, and facilitates a supportive, co-operative and open environment between the AIFM and Investment Adviser and the Directors. He is also responsible for ensuring that the views of shareholders are communicated to the Board as a whole.

The Chairman is deemed by his fellow independent Board members to be independent in character and judgement and free of any conflicts of interest. He considers himself to have sufficient time to spend on the affairs of the Company. The Chairman has no significant commitments other than those disclosed in his biography on page 27.

Given the size of the Board and the Group, it is not considered necessary to appoint a senior independent director.

GOVERNANCE CONTINUED

Board Meetings

The Group has four scheduled Board meetings each year with additional meetings arranged as necessary. In addition, the Directors meet frequently outside of scheduled Board meetings.

At each Board meeting, the Directors follow a formal agenda which is set by the Chair, and the papers are circulated in advance by the Company Secretary to ensure that the Directors receive accurate, clear and timely information to help them discharge their duties. The Board is provided with financial information, together with briefing notes and papers in relation to changes in the Group's economic and financial environment, statutory and regulatory changes and corporate governance best practice. A description of the Group's risk management and internal control systems is set out on page 33.

The Group's main functions are delegated to a number of service providers, each engaged under separate contracts. The management of the Group's portfolio is delegated to the AIFM which manages the assets in accordance with the Group's objectives and policies. The management arrangements can be found on page 53. At each Board meeting, representatives from the AIFM and Investment Adviser attend to present reports to the Directors covering the Group's current and future activities, portfolio of assets and its investment performance over the preceding period.

Board Committees

The Company has two committees, the Audit Committee and the Management Engagement Committee. Given the structure and size of the Board, the Board does not consider it necessary to appoint a separate Nomination Committee. The former Management Engagement and Remuneration Committee was reorganised during the year such that remuneration matters, formally part of its remit, are now matters for the whole Board, for the reasons set out on page 28. The Committees' delegated responsibilities are clearly defined in formal terms of reference, which are available on the Company's website. Further details about the Audit Committee and Management Engagement Committee can be found on pages 34 to 38.

Meeting Attendance

The Board's scheduled meetings are quarterly, with additional approvals of NAVs and dividends sought via email. During the year ended 30 June 2021, the number of scheduled Board meetings attended by each Director were as follows:

Director	Attendance ¹²
Alan Sippetts	4/4
Jim Prower	4/4
Adam C Smith	1/1
Steve Smith	3/3

Performance Evaluation

The Directors are aware that they need to continually monitor and improve Board performance and recognise that this can be achieved through regular Board evaluation, providing a valuable feedback mechanism for improving Board effectiveness. The Board has established a questionnaire-based process for the annual evaluation of the performance of the Board, the Audit Committee and the Management Engagement Committee, as well as the individual Directors. This process is led by the Chairman who acts on the results of the evaluation by recognising the strengths and addressing any weaknesses of the Board, as appropriate. The other Directors carry out a performance evaluation of the Chairman. This evaluation process is carried out annually.

Having conducted its performance evaluation, the Board believe that it, and each of its committees, has been effective in carrying out their objectives and that each individual Director has been effective and demonstrated commitment to the role. The Board discussed the challenges and opportunities that were identified through the performance evaluation and agreed appropriate development points on which progress will be assessed in the next financial period.

¹² Number of scheduled meetings attended/maximum number of meetings that the Director could have attended.

GOVERNANCE CONTINUED

Challenges and Opportunities

Stakeholder engagement to be enhanced, and attention should be given to further communication with potential new investors,

Director remuneration should be appropriately aligned to the time commitment and responsibilities of the role.

Given the new composition of the Board, sufficient time should be given to evaluating the onboarding process and functioning of the Board.

The Board does not consider the use of external consultants to conduct this evaluation is likely to provide any meaningful advantage over the process that has been adopted and would incur an unnecessary expense. However, the option of doing so will be regularly reviewed.

Directors' Independence

The independence of the Directors was reviewed as part of the annual evaluation process. The Board consists of three non-executive Directors, two of which are considered independent. The Board have considered and determined that Adam C Smith is not an independent director on and since his appointment. He is not considered to be independent as he is a director of Glenstone Property plc, one of the Company's largest shareholders, which the Board have considered to be a circumstance that impairs his independence in accordance with provision 10 of the UK Code. The Board have considered and determined that Stephanie Eastment, appointed as a non-executive Director with effect from 1 October 2021, is independent.

Director Induction and Training and Development

The Company has established a robust induction process for new Directors that covers the Group's investment activities, the role and responsibilities of a Director and guidance on corporate governance and applicable regulatory and legislative landscape.

A full induction was facilitated by the Company Secretary for Adam C Smith on his appointment to the Board on 8 March 2021, part of which included the provision of an induction pack containing relevant information about the Company, its processes and procedures. New appointees also have the opportunity of meeting with the Chairman and relevant persons at the AIFM and Investment Adviser.

The Directors' training and development was assessed as part of the annual effectiveness evaluation and, in any event, the Chairman regularly reviews and discusses the development needs with each Director. Each Director is fully aware that they should take responsibility for their own individual development needs and take the necessary steps to ensure they are wholly informed of regulatory and business developments. During the year, the Directors received periodic guidance and training on regulatory and compliance changes.

Succession Planning

The Board as a whole has given full consideration to succession planning as part of the Board's formal annual evaluation to ensure progressive refreshing of the Board, taking into account the challenges and opportunities facing the Board and the balance of skills and expertise, factoring in the benefits of a diverse Board, that are required in the future.

The Board considers that it has an appropriate balance of skills and experience. The Board considers that, collectively, it has substantial recent and relevant experience of the property sector, investment trusts and financial and public company management.

In identifying suitable candidates for an appointment to the Board, the Company may use open advertising or the services of external advisers to facilitate the search.

2021 Development Points

Re-engage with the Communications Adviser and Corporate Broker to initiate a stakeholder communications strategy for potential new investors.

A benchmarking exercise should be undertaken to assess the appropriate remuneration of the directors of comparable peers, with a view to amending the Remuneration Policy is necessary.

It is proposed that the next Board evaluation will incorporate a more in-depth interview process and 360 feedback exercise.

GOVERNANCE CONTINUED

On 21 September 2021, the Company announced that following the completion of a comprehensive and thorough recruitment process, which was supported by Tyzack Partners, Stephanie Eastment would be appointed to the Board as an independent non-executive director and Chair of the Audit Committee effective 1 October 2021. As part of a planned succession process, Jim Prower will resign as a Director of the Company on the same day. Tyzack Partners have no other connection to the Company or individual Directors.

Adam C Smith's appointment followed a request from the Company's largest shareholder, Glenstone Property plc, for representation on the Board, and therefore an external search consultancy was not appropriate.

Tenure Policy

The Board considers that the length of time each Director, including the Chairman, serves on the Board should not be limited and has not set a finite tenure policy. Length of service of current Directors and future succession planning will be reviewed each year as part of the Board evaluation process.

Diversity Policy

The Board is comprised of three male Directors who have an appropriate balance of skills and experience to meet the future opportunities and challenges facing the Group. The Board regularly reviews its composition and effectiveness as part of the annual Board evaluation process.

Appointments are made first and foremost on the basis of merit and taking into account the recognised benefits of all types of diversity, including the recommendations of the Hampton-Alexander Review. The Board ensures that diversity is an important consideration and part of the selection criteria used to assess candidates to achieve a balanced Board. The Board are pleased to welcome Stephanie Eastment to the Board with effect from 1 October 2021, after which the Board will consist of one female and two male Directors.

The Directors in office at 30 June 2021 and the date of this report are set out on page 27.

Re-election and Election of Directors

In accordance with the UK Code, all Directors will submit themselves for election or re-election on an annual basis. Therefore, Alan Sippetts will be standing for re-election at the Company's 2021 AGM, with Adam C Smith and Stephanie Eastment standing for election at the Company's 2021 AGM.

Directors' Conflicts of Interest

It is the responsibility of each individual Director to avoid an unauthorised conflict of interest arising.

The Director must request authorisation from the Board as soon as he becomes aware of the possibility of an interest that conflicts, or might possibly conflict, with the interests of the Group. The Company's Articles of Association ('Articles') allow the Board to authorise such potential conflicts, and there is a procedure in place to deal with any actual, or potential, conflicts of interest. Where the conflict arises due to an appointment, the Board deals with each appointment on its individual merit and takes into consideration all relevant circumstances.

A register of conflicts is maintained by the Company Secretary and is reviewed at Board meetings to ensure that any authorised conflicts remain appropriate. The Directors are required to confirm at these meetings whether there has been any change to their position.

Relations with Shareholders

Communication with shareholders is given high priority by both the Board and the Investment Adviser. The Chairman, Investment Adviser and the Company's Broker have been in regular contact with major shareholders and report the results of meetings and the views of those shareholders to the Board on a regular basis. The Chairman ensures that the Board as a whole has a clear understanding of the views of shareholders by receiving regular updates from the Company's broker, which are tabled at the Company's Board Meetings.

Following the failure to carry some of the resolutions at the 2020 AGM, in particular the resolution to adopt a proposed revised Investment Policy, the Board engaged with shareholders further, as set out in more detail below.

Any shareholder wishing to contact the Company should address their query to the Company Secretary at the registered office address on page 93.

GOVERNANCE CONTINUED

Significant vote against at 2020 AGM

At the Company's AGM held on 26 November 2020, there was a significant number of proxy votes against resolutions 9, 11, 12 and 13, being the resolutions to authorise the Directors to allot shares, to adopt the proposed revised Investment Policy, and two resolutions in respect of the dis-application of pre-emption rights. Resolutions 9 and 11 were ordinary resolutions, and resolutions 12 and 13 were special resolutions, which failed to carry. Resolutions 9, 11, 12 and 13 received 71.84%, 58.17%, 71.99% and 71.94% against respectively.

Following the failure to carry the above resolutions, the Board conducted an open and transparent engagement with its shareholders. As announced on 8 March 2021, the Board confirmed that the Company's focus would be to keep in place a low operating cost base and to pursue other initiatives within the Group's current portfolio of assets, while seeking to maximise rent collection, income distribution and returns to shareholders.

Internal Control Review

The Board is responsible for the systems of internal controls relating to the Group including the reliability of the financial reporting process and for reviewing the systems' effectiveness. The Directors have reviewed and considered the guidance supplied by the FRC on risk management, internal control and related finance and business reporting and an ongoing process has been established for identifying, evaluating and managing the risks faced by the Group, including emerging risks. This process, together with key procedures established with a view to providing effective financial control, was in place both during the year under review and at the date of this report.

The internal control systems are designed to ensure that proper accounting records are maintained, that the financial information on which business decisions are made, and which is issued for publication, is reliable, and that the assets of the Group are safeguarded.

The risk management process and systems of internal control are designed to manage rather than eliminate the risk of failure to achieve the Group's objectives. It should be recognised that such systems can only provide reasonable, not absolute, assurance against material misstatement or loss.

The Directors have carried out a review of the effectiveness of the systems of internal control as they have operated over the period and up to the date of approval of the Annual Report and Financial Statements.

Internal control assessment process

Robust risk assessments and reviews of internal controls are undertaken regularly in the context of the Group's overall investment objective.

In arriving at its judgement of what risks the Group faces, the Board, through the Audit Committee, has considered the Group's operations in light of the following factors:

1. the nature and extent of risks which it regards as acceptable for the Group to bear within its overall business objective;
2. the threat of such risks becoming reality;
3. the Group's ability to reduce the incidence and impact of risk on its performance;
4. the cost to the Group and benefits related to the review of risk and associated controls of the Group; and
5. the extent to which third parties operate the relevant controls.

A risk register has been produced against which the risks identified and the controls in place to mitigate those risks can be monitored. The risks are assessed on the basis of the likelihood of them happening, the impact on the business if they were to occur and the effectiveness of the controls in place to mitigate against them. This risk matrix is reviewed twice a year by the Audit Committee.

The principal risks that have been identified by the Board are set out on pages 20 to 24.

The Board reviews financial information produced by the Administrator on a regular basis.

Most functions for the day-to-day management of the Group are sub-contracted, and the Directors therefore obtain assurances and information from key third-party suppliers regarding the internal systems and controls operated in their respective organisations. In addition, third parties are requested to provide a copy of their report on internal controls each year, which are reviewed by the Audit Committee.

REPORT OF THE AUDIT COMMITTEE

I am pleased to present the Audit Committee Report for the year ended 30 June 2021.

Committee Membership

The Audit Committee comprises Jim Prower, Alan Sippetts and Adam C Smith. Adam was appointed as a member of the Audit Committee with effect from 1 May 2021.

The Audit Committee is chaired by Jim Prower, who has recent and relevant financial experience. Jim Prower's successor as Audit Chair, Stephanie Eastment, also has recent and relevant financial experience. The Board is satisfied that the combined knowledge and experience of its members is such that the Committee discharges its responsibilities in an effective manner and has competence relevant to the sector in which it operates.

Meetings

The Audit Committee met three times during the year under review, and the meetings were attended by each member as follows:

Director	Attendance ¹³
Jim Prower	3/3
Alan Sippetts	3/3
Adam C Smith	1/1

Role of the Committee

The Committee assists the Board in discharging its responsibilities with regard to financial reporting, external audit and internal controls, including:

1. monitoring the integrity of the financial statements of the Group, including its annual and half-yearly reports and reviewing significant financial reporting issues and the judgements which they contain;
2. keeping under review the adequacy and effectiveness of the Group's risk management systems and reviewing and approving the statements to be included in the annual report concerning internal controls and risk management;
3. making recommendations to the Board in relation to the appointment/re-appointment or removal of the Auditor and approving its remuneration and terms of engagement;
4. reviewing and monitoring the Auditor's independence, objectivity and effectiveness; and
5. approving any non-audit services to be provided by the Auditor and monitoring the level of fees payable in that respect.

Performance Evaluation

Refer to pages 30 to 31 of the Corporate Governance section detailing how the review of the Committee's performance has been conducted, and the results of such evaluation.

Activities

The Committee meets at least twice a year to consider the annual report and half-year report and any other matters as specified under its terms of reference. During the year and up to the date of this report, the Audit Committee has recommended the appointment of Moore Kingston Smith LLP ("MKS") to replace KPMG LLP as Auditor to the Board on 23 June 2021; recommended the re-appointment of MKS; reviewed financial results for publication; reviewed the performance and effectiveness of the Auditor and considered its re-appointment and remuneration; reviewed the non-audit services provided by the Auditor and the associated fees incurred; reviewed the internal controls and risk management systems of the Group and its third-party service providers; and reviewed the Committee's terms of reference (which are available on the Company's website).

¹³ Number of scheduled meetings attended/maximum number of meetings that the Director could have attended.

REPORT OF THE AUDIT COMMITTEE CONTINUED

Significant issues considered by the Committee

Valuation

The Committee determined that a key area of consideration in relation to the Consolidated Financial Statements of the Group was the valuation of the investment properties, as it is fundamental to the Group's statement of financial position and audited results. The 19 properties in the portfolio as at 30 June 2021 were externally valued by qualified independent valuers (using the internationally accepted Royal Institution of Chartered Surveyors ('RICS') Valuation – Professional Standards) and whilst comparable market transactions provide valuation evidence, there are assumptions which involve significant levels of judgement. The Committee considered the valuations of the Group's portfolio at 30 June 2021 and these were discussed with the AIFM, Investment Adviser and Auditor during the audit of the financial statements. Details of the valuation methodology are contained in Note 10 to the Consolidated Financial Statements.

Measure of Investment in subsidiary undertakings

The Committee considered the comparison of the carrying value of its investment in subsidiary undertakings with the net assets of the subsidiary's balance sheet, to identify whether the net assets exceeded the carrying amount which would be an indicator of impairment in the carrying value of the subsidiary. The Auditor completed testing and was satisfied that the measurement of the investment in the subsidiary undertaking was free from material misstatement.

Internal controls

The Committee carefully considers the internal control systems by monitoring the services and controls of its third-party service providers.

The Committee reviewed and updated the risk matrix. It received reports on internal control and compliance from the Investment Adviser and the Group's other major service providers and no significant matters of concern were identified.

Internal Audit

The Audit Committee has considered whether establishing an internal audit function would be appropriate and concluded that, considering the structure and nature of the Group's activities, such a function is not necessary. The Committee believes that the existing system of monitoring and reporting by third parties remains appropriate and adequate and will review this position on an annual basis and make appropriate recommendations to the Board.

Going concern and long-term viability of the Group

The Committee considered the Group's financial requirements for the next 12 months and concluded that it has sufficient resources to meet its commitments. Consequently, the financial statements have been prepared on a going concern basis.

The Committee also considered the longer-term viability statement within the Annual Report for the year ended 30 June 2021, covering a three year period, and the underlying factors and assumptions which contributed to the Committee deciding that this was an appropriate length of time to consider the Group's long-term viability. The Group's viability statement can be found on page 25.

Independence and objectivity of the Auditor

It is the Committee's responsibility to monitor the performance, objectivity and independence of the Auditor and this is evaluated by the Committee each year. In evaluating MKS's performance, the Committee examines five main criteria – robustness of the audit process, independence and objectivity, quality of delivery, quality of people and service, and value-added advice. Having carried out a review the Committee is satisfied with the Auditor's performance and that as the Auditor did not carry out non-audit services the objectivity and independence of the Auditor were not compromised.

External Audit Process

The Committee meets at least twice a year with the Auditor, once at the planning stage before the audit and again after the audit at the reporting stage. The Auditor provides a planning report in advance of the annual audit, and a report on the annual audit. The Committee has an opportunity to question and challenge the Auditor in respect of both of these reports.

REPORT OF THE AUDIT COMMITTEE CONTINUED

In addition, at least once a year, the Committee has an opportunity to discuss any aspect of the Auditor's work with the Auditor in the absence of the AIFM and Investment Adviser and other service providers. After the annual audit, the Committee will review the audit process and consider its effectiveness.

Appointment of the Auditor

Following a competitive tender process, upon recommendation from the Committee, the Board resolved to appoint MKS as the Company's Auditor with effect from 23 June 2021.

Following a review of its independence and objectivity, the Company has recommended to the Board that re-appointment of MKS as the Company's Auditor be proposed to shareholders at the forthcoming AGM. MKS has expressed its willingness to continue as the Company's Auditor.

The Auditor was appointed as external auditor to the Group on 23 June 2021, with Jonathan Sutcliffe assuming the role of Audit Partner in respect of the audit for the year ended 30 June 2021. In line with EU requirements adopted by the UK, it is intended that the external audit will be re-tendered at least every ten years.

Audit Fees and Non-Audit Services

The Committee has sole responsibility for agreeing the audit fee in consultation with the Investment Adviser and taking into account the scope of the audit.

The Committee has a policy on the engagement of the Auditor to supply non-audit services. All non-audit services are reviewed by the Committee which makes recommendations for the provision of each non-audit service, and ensures that the statutory auditor is not engaged to perform work that is prohibited under EU law as adopted by the UK.

The Auditor is permitted to provide non audit-related services where the work involved is closely related to the work performed in the audit. These include:

1. reviews of interim financial information;
2. reporting on internal financial controls when required by law or regulation;
3. reporting required by law or regulation to be provided by the Auditor; and
4. prospectus/capital markets reporting.

The policy was reviewed and its application monitored by the Committee during the year and it was agreed that the policy remained appropriate for the Company.

An analysis of audit fees is set out below:

	Year ended 30 June 2021 £000	Year ended 30 June 2020 £000
Audit		
Statutory audit of Annual Report and Accounts	67	105
Statutory audit of Subsidiary Accounts	10	15
	77	120

Moore Kingston Smith LLP has replaced KPMG LLP as the auditor for the Group for year ended 30 June 2021.

Neither Moore Kingston Smith LLP nor KPMG LLP have provided any non-audit services to the Group.

Jim Prower
Audit Committee Chairman
29 September 2021

REPORT OF THE MANAGEMENT ENGAGEMENT COMMITTEE

I am pleased to present the Management Engagement Committee Report for the year ended 30 June 2021.

On 1 May 2021, the Management Engagement and Remuneration Committee was reorganised as the Management Engagement Committee, with decisions related to the Directors' remuneration being taken by the Board as a whole.

Committee Membership

On 1 May 2021, Adam C Smith replaced Alan Sippetts as Chairman of the Committee. Jim Prower and Alan Sippetts remained members of the Management Engagement Committee.

Meetings

The Management Engagement Committee held one scheduled meeting during the year, and the meeting was attended by each member as follows:

Director	Attendance ¹⁴
Alan Sippetts	1/1
Jim Prower	1/1
Steve Smith	1/1
Adam C Smith	0/0

Role of the Committee

The Committee is responsible for reviewing the appropriateness of the continuing appointment of the AIFM and Investment Adviser and ensuring the terms and conditions of the AIFM and Investment Adviser's continuing appointment align with the investment policy and investment objective of the Group.

Matters Considered in the Year

The Committee receives reports from external advisers and from the AIFM and Investment Adviser, as required, to enable it to discharge its duties. The main activities undertaken during the year, and to the date of this report, were that the Committee:

1. reviewed the ongoing charges and agreed that these were at an appropriate level;
2. satisfied itself that the AIFM and Investment Adviser agreements are fair and that its terms remain competitive and sensible for shareholders and that matters of compliance are under proper review;
3. reviewed the performance of other third-party service providers and made recommendations to the Board regarding these; and
4. reviewed the Committee's terms of reference (which are available on the Company's website).

Performance Evaluation

Refer to the above Corporate Governance section detailing how the review of the Committee's performance has been conducted, and the results of such evaluation.

Review of Service Providers

The Committee reviews the ongoing performance and the continuing appointment of all service providers of the Group including the AIFM and Investment Adviser on an annual basis. The Committee also considers any variation to the terms of all service providers' agreements and reports its findings to the Board.

Continuing Appointment of the AIFM and Investment Adviser

The Committee has reviewed the continuing appointment of the AIFM and Investment Adviser and are satisfied that their appointment remains in the best interests of shareholders as a whole.

Adam C Smith

Management Engagement Committee Chairman

29 September 2021

¹⁴ Number of scheduled meetings attended/maximum number of meetings that the Director could have attended.

ANNUAL STATEMENT ON DIRECTORS' REMUNERATION

Dear Shareholder,

I am pleased to present the Directors' Remuneration Report on behalf of the Board for the year ended 30 June 2021. It is set out in two sections in line with legislative reporting regulations:

- Directors' Remuneration Policy – This was approved at the Company's 2020 AGM and no changes are proposed.
- Annual Report on Directors' Remuneration – This sets out how the Directors were paid for the year ended 30 June 2021. There will be an advisory shareholder vote on this section of the report at our 2021 AGM.

The Group does not have any executive Directors or employees, and, as a result, operates a simple and transparent remuneration policy that reflects the non-executive Directors' duties, responsibilities and time spent. The Directors' annual fees have not increased since the Company's IPO in June 2017.

Full details of the Directors' Remuneration Policy, as well as how Directors were paid for the year ended 30 June 2021, are set out on pages 38 to 43.

We value engagement with our shareholders and for the constructive feedback we receive and look forward to your support at the forthcoming AGM.

Alan Sippetts
Chairman

29 September 2021

DIRECTORS' REMUNERATION POLICY

The Directors' Remuneration Policy was approved by shareholders at the Annual General Meeting of the Company held on 26 November 2020 and became effective from the conclusion of the Annual General Meeting. The provisions of the policy will apply until they are next put to shareholders for renewal of that approval, which must be at intervals of not more than three years, or if the Remuneration Policy is varied, in which event shareholder approval for the new Remuneration Policy will be sought.

Overview

All Directors are non-executive, and the Company follows the recommendation of the UK Code that non-executive Directors' remuneration should reflect the time commitment and responsibilities of the role. The Board's policy is that the remuneration of non-executive Directors should reflect the experience of the Board as a whole and be determined with reference to comparable organisations and appointments. The Group has no employees.

Policy Table

COMPONENT	OPERATION	LINK TO STRATEGY
Annual Fee	The Board has set three levels of fees: one for a Director and additional fees for the Chairman of the Audit Committee and the Chairman of the Board.	The level of the annual fee has been set to attract and retain high calibre Directors with the skills and experience necessary for the role.
	The approval of shareholders would be required to increase the aggregate limit of £400,000 for Directors' remuneration, as set out in the Company's Articles.	The fee has been benchmarked against companies of a similar size in the sector, having regard to the time commitment and expected contribution to the role.
Additional Service Fee	The Company's Articles provide that if any Director shall perform or render any special duties or services outside his ordinary duties as a Director, he may be paid such reasonable additional remuneration as may be considered appropriate.	The additional fee offers flexibility for a Director to be awarded additional remuneration to adequately compensate a Director for any special services or services outside his ordinary duties where this is considered appropriate for the effective functioning of or in furtherance of the Company's aims.
Other Benefits	The Company's Articles provide that Directors are entitled to be reimbursed for reasonable expenses incurred by them in connection with the performance of their duties and attendance at Board and General Meetings.	In line with market practice, the Company will reimburse the Directors for expenses to ensure that they are able to carry out their duties effectively.

Fees are reviewed annually in accordance with the above policy. The fee for any new Director appointed to the Board will be determined on the same basis.

Annual fees for the year ended 30 June 2021

Directors' Fee Levels	Annual fees for the year ended 30 June 2021 (£)
Chairman	30,000
Chairman of the Audit Committee	25,000
Director	20,000

DIRECTORS' REMUNERATION POLICY CONTINUED

Service Contracts

Directors do not have service contracts with the Company but are engaged under letters of appointment, copies of which are available for inspection at the Company's registered office. None of the Directors has a contract of service with the Group.

Directors Term of Office

Directors are not appointed for a specific term and will stand for annual re-election at the Company's annual general meetings.

Loss of Office

These specifically exclude any entitlement to compensation upon leaving office for whatever reason.

Relations with Shareholders

The Company is committed to ongoing shareholder dialogue and any views expressed by shareholders on the fees being paid to Directors would be taken into consideration by the Board when reviewing the Directors' remuneration policy as a part of any review of Directors' fees.

DIRECTORS' REMUNERATION REPORT

Directors' Remuneration Report

With effect from 1 May 2021, the Management Engagement and Remuneration Committee was reorganised as the Management Engagement Committee. As a result, responsibility for decisions related to the Directors' remuneration falls with the Board as a whole. During the year ended 30 June 2021, the annual fees were set at the rate of £30,000 for the Chairman, £25,000 for the Audit Committee Chairman and £20,000 for a Director. No changes to these fee levels are proposed for the year ending 30 June 2022. The Directors' annual fees have not increased since the Company's IPO in June 2017.

An ordinary resolution will be put to shareholders at the forthcoming AGM to receive and approve the Directors' Remuneration Report.

Voting at 2020 AGM

The Directors' remuneration report for the period ended 30 June 2020 and the Directors' remuneration policy were approved by shareholders at the AGM held on 26 November 2020 on a poll; the poll votes received were as follows:

Voting	Remuneration Report	Remuneration Policy
For – number of votes cast	40,326,456 (98.26%)	40,326,456 (98.26%)
Against – number of votes cast	712,068 (1.74%)	712,068 (1.74%)
Total votes cast	41,038,524	41,038,524
Number of votes withheld	1,954,202	1,954,202

Performance of the Company

The chart below compares the share price total return (assuming all dividends re-invested) to shareholders compared with the total return on the FTSE EPRA Nareit UK and FTSE Small Cap Indices over the period since inception of the Company. These indices have been chosen as they are considered to be an appropriate benchmark against which to assess the relative performance of the Company.

DIRECTORS' REMUNERATION REPORT CONTINUED

Single Total Figure (audited information)

The remuneration paid to the Directors during the year ended 30 June 2021 is set out in the table below:

Director	Total Fixed Remuneration: Annual Fee for the year ended 30 June 2021 £'000	Additional Fee for the year ended 30 June 2021 £'000	Total 2021 £'000	% 2021 Annual Change		
				Total 2020 £'000	Total Fixed Remuneration	Additional Fee
Alan Sippetts	22 ¹	0	22	20	+10% ¹	0%
Jim Prower	25	0	25	40	0%	-100% ⁴
Adam C Smith ²	6	0	6	-	N/A	N/A
Steve Smith ³	25	0	25	30	0% ³	0%
Total	78	0	78	90	-	-

1 Alan Sippetts receives £30,000 p.a. from 1 May 2021, the date of his appointment as Chairman. From 1 July 2020 to 30 April 2021, Alan received £20,000 p.a. as Non-Executive Director of the Company.

2 Adam C Smith was appointed as a Director with effect from 8 March 2021, and therefore his remuneration is pro-rata from 8 March 2021 to 30 June 2021.

3 Steve Smith resigned as a Director with effect from 1 May 2021, and therefore his remuneration is pro-rata from 1 July 2020 to 1 May 2021.

4 An additional fee of £15,000 was accrued in respect of the year ended 30 June 2020, and was paid to Jim Prower in recognition of the significant time spent undertaking additional services in respect of managing the transition between third party service providers during the year ended 30 June 2020.

Relative Importance of Spend on Pay

The table below sets out, in respect of the year ended 30 June 2021, the remuneration paid to the Directors; the management fee and expenses which have been included to give shareholders a greater understanding of the relative importance of spend on pay; and distributions to shareholders by way of a dividend.

	Year ended 30 June 2021 (£'000)	Year ended 30 June 2020 (£'000)
Directors' remuneration	78	90
Investment Management fee	269	408
Dividends paid	3,965	3,985

Directors' Interests (audited information)

Neither the Company's Articles, nor the Directors' letters of appointment require a Director to own shares in the Company.

The interests of the Directors and their persons closely associated in the equity of the Company at 30 June 2021 are shown in the table below.

	Year ended 30 June 2021 Number of shares	Year ended 30 June 2020 Number of shares
Alan Sippetts	34,006	34,006
Jim Prower	21,500	21,500
Adam C Smith	11,855,461*	-

* 11,855,461 Ordinary Shares are in relation to Glenstone Property plc, a person closely associated with Adam C Smith. He does not hold any shares in his own name.

DIRECTORS' REMUNERATION REPORT CONTINUED

As at the date of this report, the Company had been notified under Disclosure Guidance and Transparency Rule ('DTR') 5 that the shareholding of Glenstone Property plc, a person closely associated with Adam C Smith, was 20,155,461 shares.

None of the Directors or persons closely associated with them had a material interest in the Group's transactions, arrangements or agreements during the year.

Consideration of Shareholder Views

During the year, the Company did not receive any communications from shareholders specifically regarding Directors' pay. The resolutions to approve the Directors' Remuneration Report were passed at the Annual General Meeting on 26 November 2020.

Approval

The Directors' Remuneration Report has been approved by the Board of Directors and signed on its behalf by:

Alan Sippetts
Chairman

29 September 2021

ENVIRONMENTAL, SOCIAL AND GOVERNANCE

Diversity

As an externally managed business, the Company does not have any employees or office space. As such, the Group does not operate a diversity policy with regards to any administrative, management and supervisory functions. A description of the Board's policy on diversity can be found on page 32.

Employees

The Group has no employees and accordingly no requirement to report separately in this area as the management of the portfolio has been delegated to the AIFM and Investment Adviser.

The AIFM and Investment Adviser are equal opportunities employers who respect and seek to empower each individual and the diverse cultures, perspectives, skills and experiences within their workforce.

Human Rights

The Group is not within the scope of the Modern Slavery Act 2015 because it has not exceeded the turnover threshold and therefore no further disclosure is required in this regard.

Business Relationships

As well as the critical day-to-day portfolio management, the Group has a set of service providers that ensure the smooth running of the Group's activities. The Group's key service providers are listed on page 93, and the Management Engagement Committee annually review the effectiveness and performance of these service providers, taking into account any feedback received.

The Group, AIFM and Investment Adviser and other third-party service providers maintain high standards of business conduct by acting in a collaborative and responsible manner with all its business partners that protects the reputation of the Group as a whole.

Environment

As an investment company, the Group's own direct environmental impact is minimal and greenhouse gas ('GHG') emissions are negligible, and as such the Company has not introduced measures to achieve energy efficiency. Information on the GHG emissions in relation to the Group's property portfolio are disclosed on pages 44 to 45.

Greenhouse Gas Emissions

The Group has followed UK Government environmental reporting guidelines and used the UK Government 2020 greenhouse gas reporting conversion factors for company reporting to identify and report relevant GHG emissions over which it has operational control for the 12-month period to 30 June 2021.

An independent consultancy specialising in the application of sustainability in commercial real estate has been appointed to calculate the GHG statement and provide verification on the approach used.

Scopes

GHG emissions have been reported against the following 'Scopes', as defined by the GHG Protocol and where relevant:

Scope 1 – direct emissions from owned vehicles, controlled boilers and fugitive emissions from air conditioning systems under landlord control.

Scope 2 – indirect emissions from electricity purchased by the Group and consumed within real estate assets owned by the Company.

Scope 3 – indirect emissions from electricity and gas purchased/consumed within the Group's assets, by tenants, where the tenant is counterparty to the energy supply.

Scope 1 is not relevant to the Company.

Statement of GHG emissions

The table below shows relevant GHG emissions per sector and for the Group overall in the year to 30 June 2021. The approach taken follows guidance provided by the GHG Reporting Guidelines (BEIS, 2019) and EPRA Best Practice Recommendations on Sustainability Reporting 2017.

ENVIRONMENTAL, SOCIAL AND GOVERNANCE CONTINUED

Sector	Scope	Absolute tonnes of Carbon Dioxide equivalent (tCO ₂ e)		Like-for-Like comparison of Carbon Dioxide Equivalent (tCO ₂ e)*	
		2019/20	2020/21	Difference (tCO ₂ e)	% Change
Retail Park	Scope 2	N/A	0.59	N/A	N/A
Industrial, Warehouse	Scope 3 – Elec.	115.62	104.11	11.51	-10%
	Scope 3 - Total	115.62	104.7	10.92	-9%

*Like-for-like comparison is only relevant for electricity usage.

Statement of Energy Usage

The table below sets out the energy use per sector and for the entity overall. The approach follows guidance provided by the GHG Reporting Guidelines (BEIS, 2019) and the EPRA Best Practice Recommendations on Sustainability Reporting 2017.

Sector	Energy Source	Absolute energy usage (kWh)		Like-for-like energy usage (kWh)*	
		2019/20	2020/21	Difference 2019/20 (kWh)	% Change 2020/21
Industrial, Warehouse	Electricity	451,632	446,568	(5,064)	(1%)
Retail Parks	Electricity	N/A	2,555	N/A	N/A
Total	Electricity	451,632	449,123	(2,509)	(1%)

*Like-for-like comparison is only relevant for electricity usage.

Intensity Ratios

In addition to reporting relevant GHG emissions, the Group has chosen to report intensity ratios, where appropriate. An intensity measure is reported for assets within the like-for-like portfolio, where:

- No major renovation or refurbishment has taken place (i.e. affecting more than 50% of the building by area of number of occupants);
- Occupancy is at least 75%; or
- At least 12 months' data is available.

Whilst no landlord meters reflect the above criteria for an intensity metric, the Company has applied an intensity figure for one asset, Pocket Nook, where the landlord procures the energy and directly recharges this to the tenant. An intensity metric has not been produced for Droitwich Spa Retail Park on the basis that the landlord-controlled meter does not reflect the above criteria.

No normalisation factors have been considered for this annual report.

Assurance statement

The Group's GHG emissions have been calculated and verified by an independent third-party in accordance with the principles of ISO 14064. A full copy of the methodology used, including scope, source or data and conversion factors, is available upon request.

DIRECTORS' REPORT

Directors' Report

The Directors' Report, prepared in accordance with the requirements of the Companies Act 2006 and the FCA's Listing Rules and Disclosure Guidance and Transparency Rules, comprises pages 46 to 49, and incorporates the Corporate Governance Statement on pages 28 to 33. In accordance with s414c(11) of the Companies Act 2006, information required to be disclosed in respect of future developments and principal risks and uncertainties is included within the Strategic Report.

Principal Activity

The Company is a closed-ended investment company and is a Real Estate Investment Trust. The Company is a holding company of two subsidiaries. The Group invests in properties in accordance with the Investment Policy and Investment Objective.

Results and Dividends

The interim dividends paid by the Company are set out in Note 9 of the Consolidated Financial Statements. A summary of the Group's performance during the year, significant events following the year end and future developments is set out in the Strategic Report on pages 1 to 26.

Directors

The Directors in office at the date of this report are shown on page 27.

Power of Directors

The Directors' powers are determined by UK legislation and the Articles. The Articles may be amended by a special resolution of the members. The Directors may exercise all of the Company's powers provided that the Articles or applicable legislation do not stipulate that any such powers must be exercised by the members. The Articles govern the appointment and replacement of Directors.

Indemnity Provisions

Save for such indemnity provisions in the Company's Articles, there are no qualifying third party indemnity provisions in force. The Board has agreed to a procedure by which Directors may seek independent professional advice if necessary and at the Company's expense. The Company has also arranged for the appropriate provision of Directors' and Officers' Liability Insurance.

Continuation Vote

At the Annual General Meeting to be held in 2022, the Directors shall propose an ordinary resolution to members that the Company continues in existence. If the resolution is passed at such Annual General Meeting, then the Directors shall propose the same resolution at every fifth Annual General Meeting thereafter.

Subsidiary companies

Details of the Company's subsidiaries are set out in Note 17 to the Consolidated Financial Statements.

Management Arrangements

Langham Hall Fund Management LLP is the Group's AIFM, and the terms of the AIFM Agreement are set out on page 50. M7 is the Investment Adviser, and their role is to provide the Company with advice, support and services including strategy, debt advisory, reporting, fund accounting and investment advisory services together with asset management, operational advice, budgeting and planning for the Group's portfolio. M7 also has delegated authority to act within defined parameters and where decisions outside pre-approved criteria are required, specific approval will be agreed with the Company. Further details can be found in Note 21 of the Group's Consolidated Financial Statements.

Financial Risk Management

The financial risk management objectives and policies can be found in Note 19 to the Consolidated Financial Statements.

DIRECTORS' REPORT CONTINUED

Share Capital

At 30 June 2021, and as at the date of this report, there are 80,500,000 Ordinary Shares in issue, none of which are held in treasury.

Purchase of Own Shares

At the Company's AGM on 26 November 2020, the Company was granted authority to purchase up to 10% of the Company's Ordinary Shares in issue. No shares have been bought back under this authority during the year, which expires at the conclusion of the Company's 2021 AGM. A resolution to renew the Company's authority to purchase (either for cancellation or for placing into Treasury) up to 8,050,000 Ordinary Shares (being 10% of the issued Ordinary Share capital as at the date of this report), will be put to shareholders at the 2021 AGM. Any purchase will be made in the market and prices will be in accordance with the terms that will be laid out in the 2021 Notice of AGM'. The authority will be used where the Directors consider it to be in the best interests of shareholders.

Change of Control

Under the Group's financing facilities, any change of control at the borrower or parent company level may trigger a repayment of the outstanding amounts to the lending banks. The Directors do not receive compensation for loss of office occurring due to a change of control.

Income entitlement

The profits of the Company available for distribution and determined to be distributed shall be distributed by way of interim or final dividends among the holders of Ordinary Shares.

Capital entitlement

After meeting the liabilities of the Company on a winding-up, the surplus capital and assets shall be paid to the holders of Ordinary Shares and distributed among such holders pro rata according to the nominal capital paid up on their holdings of Ordinary Shares.

Annual General Meeting

The Company's 2021 Annual General Meeting will be held by 31 December 2021, and the Notice of AGM will be sent to shareholders separately.

Voting entitlement

Each shareholder is entitled to one vote on a show of hands and, on a poll, to one vote for every Ordinary Share held. The Notice of AGM and Form of Proxy stipulate the deadlines for the valid exercise of voting rights and, other than with regard to Directors not being permitted to vote their Ordinary Shares on matters in which they have an interest.

There are no restrictions concerning the transfer of securities in the Company or on voting rights; no special rights with regard to control attached to securities; no agreements between holders of securities regarding their transfer known to the Company; and no agreements which the Company is party to that might affect its control following a successful takeover bid.

Requirements of the Listing Rules

Listing Rule 9.8.4 requires the Company to include specified information in a single identifiable section of the annual report or a cross reference table indicating where the information is set out. The Directors confirm that there are no disclosures required in relation to Listing Rule 9.8.4.

Substantial Shareholdings

As at 30 June 2021 the Company had been notified under Disclosure Guidance and Transparency Rule ('DTR') 5 of the following significant holdings of voting rights in its Ordinary Shares. These holdings may have changed since notification, however notification of any change is not required until the next applicable threshold is crossed.

DIRECTORS' REPORT CONTINUED

Shareholder	Number of Ordinary Shares held	% of Total Voting Rights
Glenstone Property plc	11,855,461	14.73
Hawksmoor Investment Management Limited	8,611,630	10.69
Quilter plc	8,102,907	10.06
Heartwood Wealth Management Limited	7,685,279	9.54
Wellian Investment Solutions Limited	4,433,000	5.50
Brewin Dolphin Limited	4,023,334	4.99
Premier Miton Group PLC	4,000,000	4.97
Charles Stanley Group plc	2,847,825	3.53

The Company has been notified of the following changes to the above interests as at the date of this Report:

Shareholder	Number of Ordinary Shares held	% of Total Voting Rights
Glenstone Property plc	20,155,461	25.04
Hawksmoor Investment Management Limited	7,098,513	8.82
Quilter plc	7,049,304	8.76

Related Party Transactions

Related party transactions during the period to 30 June 2021 can be found in Note 21 to the Consolidated Financial Statements.

Research and Development

No expenditure on research and development was made during the year (2020: Nil).

Donations and Contributions

No political or charitable donations were made during the year (2020: Nil).

Branches Outside the UK

There are no branches of the business located outside the United Kingdom.

Contracts of Significance

There are no contracts of significance of the Company or a subsidiary in which a Director is or was materially interested or to which a controlling shareholder was a party.

Statement of Disclosure of Information to Auditor

So far as each Director is aware, there is no relevant information, which would be needed by the Group's Auditor in connection with preparing their audit report (which appears on pages 53 to 58, of which the Auditor is not aware; and each Director, in accordance with section 418(2) of the Companies Act 2006, has taken all reasonable steps that he ought to have taken as a Director to make himself aware of any such information and to ensure that the Auditor is aware of such information.

INFORMATION DISCLOSURES UNDER THE AIFM DIRECTIVE

Information Disclosures under the AIFM Directive ('AIFMD')

Langham Hall Fund Management LLP ("the AIFM") is authorised and regulated by the FCA as a full-scope AIFM and provides its services to the Company.

The Company has appointed Langham Hall UK Depository LLP ("the Depository") to act as the depository to the Company, responsible for cash monitoring, asset verification and oversight of the Company.

Under the AIFMD, the Company is required to make disclosures in relation to its leverage under the prescribed methodology of the Directive.

In prior years, the leverage exposures shown below have been completed using Group (including all subsidiary) figures however in line with the AIFMD, only the leverage exposures of the Company itself (i.e. excluding subsidiaries figures unless there are guarantees in place) should be included. Below are the restated leverage exposure figures for 30 June 2020 along with the 30 June 2021 figures.

Leverage

The AIFMD prescribes two methods for evaluating leverage, namely the 'Gross Method' and the 'Commitment Method'. The Company's maximum and actual leverage levels are as per below:

Leverage Exposure	30 June 2021		30 June 2020	
	Gross Method	Commitment Method	Gross Method	Commitment Method
Maximum Limit	167.0%	167.0%	167.0%	167.0%
Actual	99.1%	100%	99.8%	100%

In accordance with the AIFMD, leverage is expressed as a percentage of the Company's exposure to its NAV and adjusted in line with the prescribed 'Gross' and 'Commitment' methods. The Gross method is representative of the sum of the Company's positions after deducting cash balances and without taking into account any hedging and netting arrangements. The Commitment method is representative of the sum of the Company's position without deducting cash balances and taking into account any hedging and netting arrangements. For the purposes of evaluating the methods above, the Company's positions primarily reflect its NAV.

Remuneration

The AIFM has adopted a remuneration policy which accords with the principles established by AIFMD.

AIFMD Remuneration Code Staff includes the members of the AIFM's Management Committee, those performing Control Functions, Department Heads, Risk Takers and other members of staff that exert material influence on the AIFM's risk profile or the Alternative Investment Funds it manages.

Staff are remunerated in accordance with the key principles of the firm's remuneration policy, which include (1) promoting sound risk management; (2) supporting sustainable business plans; (3) remuneration being linked to non-financial criteria for Control Function staff; (4) incentivise staff performance over longer periods of time; (5) awarding guaranteed variable remuneration only in exceptional circumstances; and (6) having an appropriate balance between fixed and variable remuneration.

As required under section 'Fund 3.3.5.R(5)' of the Investment Fund Sourcebook, the following information is provided in respect of remuneration paid by the AIFM to its staff. The information provided below is provided for the year from 1 July 2020 to 30 June 2021, which is in line with the most recent financial reporting of the AIFM, and relates to the total remuneration of the entire staff of the AIFM.

Total remuneration paid to employees during financial year:	Year ended 30 June 2021	
	Headcount	Remuneration (£)
Fixed remuneration	9	315,900
Variable remuneration	9	51,500

Langham Hall Fund Management LLP

29 September 2021

DIRECTORS' RESPONSIBILITIES STATEMENT

Statement of Directors' Responsibilities in respect of the Annual Report and the Consolidated Financial Statements

The Directors are responsible for preparing the Annual Report and the Group and parent Company Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Group and parent Company financial statements for each financial year. Under that law they are required to prepare the Group financial statements in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006 and in accordance with international financial reporting standards adopted pursuant to Regulation (EC) No 1606/2002 as it applies in the European Union ("EU") and Article 4 of the IAS Regulations. The Directors have elected to prepare the parent Company financial statements in accordance with UK accounting standards, including FRS 101 Reduced Disclosure Framework.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and parent Company and of their profit or loss for that period. In preparing each of the Group and parent Company financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable, relevant, reliable and prudent;
- for the Group financial statements, state whether they have been prepared in accordance with Companies Act 2006 and in accordance with international financial reporting standards adopted pursuant to Regulation (EC) No 1606/2002 as it applies in the EU and Article 4 of the IAS Regulations subject to any material departures disclosed and explained in the financial statements;
- for the parent Company financial statements, state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the parent Company financial statements;
- assess the Group and parent Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Group or the parent Company, or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the parent Company's transactions and disclose with reasonable accuracy at any time the financial position of the parent Company and enable them to ensure that its financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Group and to prevent and detect fraud and other irregularities.

Under applicable law and regulations, the Directors are also responsible for preparing a Strategic Report, Directors' Report, Directors' Remuneration Report and Corporate Governance Statement that complies with that law and those regulations.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

DIRECTORS' RESPONSIBILITIES STATEMENT CONTINUED

Responsibility statement of the Directors in respect of the Annual Report and the Consolidated Financial Statements

We confirm that to the best of our knowledge:

- the Financial Statements, prepared in accordance with the applicable set of accounting standards, give a true and fair view of the assets, liabilities, financial position and profit or loss of the Company and the undertakings included in the consolidation taken as a whole; and
- the Strategic Report and Directors' Report includes a fair review of the development and performance of the business and the position of the issuer and the undertakings included in the consolidation taken as a whole, together with a description of the principal risks and uncertainties that they face.
- We consider the Annual Report and the Consolidated Financial Statements, taken as a whole, is fair, balanced and understandable and provides the information necessary for shareholders to assess the Group's position and performance, business model and strategy.

On behalf of the Board

Alan Sippetts

Chairman

29 September 2021

INDEPENDENT AUDITOR'S REPORT

OPINION

We have audited the financial statements of Alternative Income REIT plc (the 'parent company') and its subsidiaries (the 'group') for the year ended 30 June 2021 which comprise the Consolidated Statement of Comprehensive Income, the Consolidated and Parent Company Statements of Financial Position, the Consolidated Statement of Cash Flows, the Consolidated and Parent Company Statements of Changes in Equity and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards and, as regards the parent company financial statements, as applied in accordance with the provisions of the Companies Act 2006.

In our opinion:

- the financial statements give a true and fair view of the state of the group's and of the parent company's affairs as at 30 June 2021 and of the group's profit for the year then ended;
- the group financial statements have been properly prepared in accordance with UK adopted international accounting standards;
- the parent company financial statements have been properly prepared in accordance with UK adopted international accounting standards and as applied in accordance with the provisions of the Companies Act 2006; and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard as applied to listed public interest entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

OUR APPROACH TO THE AUDIT

Our group audit was scoped by obtaining an understanding of the group and the parent company and their environment, including the group's system of internal control, and assessing the risks of material misstatement in the financial statements. We also addressed the risk of management override of internal controls, including assessing whether there was evidence of bias by the directors that may have represented a risk of material misstatement. At 30 June 2021 the group had two components whose transactions and balances are included in the consolidated financial statements. Both components, being Alternative Income REIT Holdco Limited and Alternative Income Limited, were considered to be significant components and were subject to a full scope audit. All work was carried out by a single audit team.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period and include the most significant assessed risks of material misstatement we identified (whether or not due to fraud), including those which had the greatest effect on: the overall audit strategy, the allocation of resources in the audit; and directing the efforts of the engagement team. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR'S REPORT CONTINUED

Key Audit Matters	How our scope addressed this matter
<p>Investment property valuations</p> <p>Refer to note 2 in relation to significant estimates and accounting policies.</p> <p>Refer to note 10 in relation to Investment property.</p> <p>The total property portfolio valuation was £109.23m (2020: £104.76m). The valuations were carried out by Knight Frank LLP (the "external valuer"). The valuer was engaged by the Directors and performed their work in accordance with the Royal Institute of Chartered Surveyors (RICS) Valuation – Professional Standards and the requirements of International Accounting Standard 40 'Investment Property'.</p> <p>Each property's fair value is impacted by a number of factors, but in particular future rental income and market yields applied thereto, which in turn are impacted by the location, quality and condition of the building and tenant covenant. The valuation of investment property requires significant judgement and estimates by the Directors and the external valuer and is therefore considered a key audit matter due to the subjective nature of certain assumptions inherent in each valuation.</p>	<p>Our audit procedures included:</p> <p>We obtained the valuation report prepared by the external valuer and spoke with them to discuss and challenge their approach to the valuations, the key assumptions and their rationale behind the more significant valuation movements during the year. We confirmed that the basis of the valuations was in accordance with the requirements of the accounting standards.</p> <p>We assessed and confirmed the external valuer's qualifications, independence and basis of valuation.</p> <p>We appointed a third-party expert to review the valuer's valuation report.</p> <p>We discussed and challenged the outcomes of the third-party expert review with the independent valuer to gain assurance over the assumptions and obtained the relevant evidence to support these.</p> <p>Our results</p> <p>No issues were identified in our testing.</p>
<p>Parent company only – measurement of investment in subsidiary undertakings</p> <p>This is not considered a significant risk for misstatement or judgement. However, due the size of this balance in the context of the parent Company's balance sheet it is considered that this area will have the greatest effect on the overall Parent company audit.</p>	<p>As part of our audit procedures, we have compared the carrying value of the investment with the net assets of the subsidiary's balance sheet to identify whether the net assets are in excess of its carrying amount as an indicator of impairment in the carrying value of the subsidiary.</p> <p>Our results</p> <p>We found the carrying amount of the investment to be acceptable.</p>

OUR APPLICATION OF MATERIALITY

We apply the concept of materiality both in planning and performing our audit, and in evaluating the effect of misstatements. We consider materiality to be the magnitude by which misstatements, including omissions could influence the economic decisions of reasonable users that are taken on the basis of the financial statements.

We use performance materiality to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatements exceeds overall materiality. Specifically, we use performance materiality in determining the scope of our audit and nature and extent of our testing of account balances, classes of transactions and disclosures, for example in determining sample sizes. Performance materiality is set using our judgement based of our risk assessment, together with our assessment of the overall control environment.

INDEPENDENT AUDITOR'S REPORT CONTINUED

	Financial statements – group	Financial statements – parent company
Overall materiality	£614,000	£430,000
How we determined it	0.5% of total assets	0.5% of total assets
Rationale for benchmark applied	A key determinant of the Group's value is property investments. Due to this, the key area of focus in the audit is the valuation of investment properties. We also consider it to be the principal consideration for the users of the financial statements in assessing the financial performance of the Group.	The parent company's main activity is the investments in subsidiaries and investment properties. Therefore, we considered this to be the principal considerations for the users of the financial statements in assessing the financial performance of the parent company.
Performance materiality	£307,000	£215,000
How we determined it	50% of overall materiality	50% of overall materiality

We agreed with the Audit Committee that we would report to them any corrected or uncorrected identified misstatements exceeding £30,736 (Group audit) and £21,452 (parent company audit) as well as misstatements below those amounts that, in our view, warranted reporting for qualitative reasons.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Our evaluation of the directors' assessment of the group's and the parent company's ability to continue to adopt the going concern basis of accounting included the following considerations.

- We have reviewed and challenged management over the forecasts that support the Going Concern Statement and the Viability Statement.
- We have agreed the Group's borrowing facilities and the related covenants to supporting financing documentation and calculations.
- We have assessed the forecasted cash flows with reference to budgeted and historic performance by agreeing the inputs and assumptions to supportive documentation.
- We have challenged the management assumptions included within the forecasts and viability statement by comparing them to historical performance and performed sensitivity analysis on the key areas, such as rent recoverability and covenant compliance headroom with reference to future changes in property valuations and the Group's future financial performance.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In relation to the group's reporting on how it has applied the UK Corporate Governance Code, we have nothing material to add or draw attention to in relation to the directors' statement in the financial statements about whether the directors considered it appropriate to adopt the going concern basis of accounting.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT CONTINUED

OTHER INFORMATION

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the part of the directors' remuneration report to be audited has been properly prepared in accordance with the Companies Act 2006.

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In light of the knowledge and understanding of the group and parent company and their environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements and the part of the directors' remuneration report to be audited are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

CORPORATE GOVERNANCE STATEMENT

We have reviewed the directors' statement in relation to going concern, longer-term viability and that part of the Corporate Governance Statement relating to the parent company's compliance with the provisions of the UK Corporate Governance Code.

Based on the work undertaken as part of our audit, we have concluded that each of the following elements of the Corporate Governance Statement is materially consistent with the financial statements and our knowledge obtained during the audit:

- Directors' statement with regards the appropriateness of adopting the going concern basis of accounting and any material uncertainties identified set out on page 25;
- Directors' explanation as to their assessment of the group's prospects, the period this assessment covers and why the period is appropriate set out on page 25;
- Director's statement on whether it has a reasonable expectation that the group will be able to continue in operation and meets its liabilities set out on page 25;
- Directors' statement on fair, balanced and understandable set out on page 51;
- Board's confirmation that it has carried out a robust assessment of the emerging and principal risks set out on pages 20 to 24;

INDEPENDENT AUDITOR'S REPORT CONTINUED

- Section of the annual report that describes the review of effectiveness of risk management and internal control systems set out on page 33; and;
- Section describing the work of the audit committee set out on page 34 to 36.

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the directors' responsibilities statement set out on page 51, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities is available on the FRC's website at <https://www.frc.org.uk/auditors/auditor-assurance/auditor-s-responsibilities-for-the-audit-of-the-fi/description-of-the-auditor-s-responsibilities-for>

This description forms part of our auditor's report.

EXPLANATION AS TO WHAT EXTENT THE AUDIT WAS CONSIDERED CAPABLE OF DETECTING IRREGULARITIES, INCLUDING FRAUD

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the company.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the Group and considered that the most significant are the Companies Act 2006, UK adopted international financial reporting standards, the Listing Rules, the Disclosure and Transparency Rules, and the UK Real Estate Investment Trust ("REIT") regime.
- We obtained an understanding of how the Group complies with these requirements by discussions with management and those charged with governance.
- We appointed a tax expert to review the group's compliance with the REIT regime.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.

INDEPENDENT AUDITOR'S REPORT CONTINUED

- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.
- We evaluated managements' incentives to fraudulently manipulate the financial statements and determined that the principal risks related to management bias in accounting estimates and judgemental areas of the financial statements. We challenged the assumptions and judgements made by management in the valuation of investment properties, which is the significant area of estimation, as described in the key audit matter above.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

OTHER MATTERS WHICH WE ARE REQUIRED TO ADDRESS

We were appointed by the Directors on 23 June 2021 to audit the financial statements for the period ending 30 June 2021. This is our first year of engagement.

The non-audit services prohibited by the FRC's Ethical Standard were not provided to the group or the parent company and we remain independent of the group and the parent company in conducting our audit.

Our audit opinion is consistent with the additional report to the audit committee.

USE OF OUR REPORT

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken for no purpose other than to draw to the attention of the company's members those matters which we are required to include in an auditor's report addressed to them. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the company and company's members as a body, for our work, for this report, or for the opinions we have formed.

Net decrease in cash and cash equivalents	(173)	(3,231)
Cash and cash equivalents at start of year	2,288	5,519
Cash and cash equivalents at end of year	2,115	2,288

The notes on pages 63 to 82 form an integral part of these Consolidated Financial Statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 30 June 2021

1. CORPORATE INFORMATION

Alternative Income REIT plc (the "Company") is a public limited company and a closed ended Real Estate Investment Trust ('REIT') incorporated on 18 April 2017 and domiciled in the UK and is registered in England and Wales. The registered office of the Company is located at 1 King William Street, London, United Kingdom, EC4N 7AF.

The Company's Ordinary Shares were listed on the Official List of the FCA and admitted to trading on the Main Market of the London Stock Exchange on 6 June 2017.

The nature of the Group's operations and its principal activities are set out in the Strategic Report on pages 1 to 26.

2. ACCOUNTING POLICIES

2.1 Basis of preparation

These Consolidated Financial Statements are prepared and approved by the Directors in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006 and in accordance with international financial reporting standards adopted pursuant to Regulation (EC) No 1606/2002 as it applies in the European Union ("EU") and in accordance with the Companies Act 2006 and Article 4 of the IAS Regulations.

On 31 December 2020 EU-adopted IFRS was brought into UK law and became UK-adopted international accounting standards, with future changes to IFRS being subject to endorsement by the UK Endorsement Board. The Consolidated Financial Statements will transition to UK-adopted international accounting standards for financial periods beginning 1 July 2021.

These Consolidated Financial Statements have been prepared under the historical-cost convention, except for investment properties that have been measured at fair value.

The Consolidated Financial Statements are presented in Sterling and all values are rounded to the nearest thousand pounds (£'000), except where otherwise indicated.

Basis of consolidation

The Consolidated Financial Statements incorporate the financial statements of the Company and its subsidiaries (the 'Group'). Subsidiaries are the entities controlled by the Company, being Alternative Income Limited and Alternative Income REIT Holdco Limited.

New standards, amendments and interpretations

Standards effective from 1 June 2020

New standards impacting the Group that have been adopted for the first time in this set of Consolidated Financial Statements are:

- Amendments to IAS 1 "Presentation of Financial Statements" and IAS 8 "Accounting Policies, Changes in Accounting Estimates and Errors"
- Revised Conceptual Framework for Financial Reporting

The above standards have been assessed to have no significant impact to the Group.

- Amendments to IFRS 3 "Business Combinations", definition of a business. The amendment and interpretation does not have a material impact on the financial statements in the period of initial application. This is because the amendment narrows the definition of a business, however, subsidiaries acquired by the Group to date have all been treated as the acquisition of a group of assets rather than a business as there was not an integrated set of activities acquired in addition to the property.
- Amendments to IFRS 16 regarding COVID-19-related rent concessions were issued in May 2020, for annual reporting periods beginning on or after 1 June 2020. It permits lessees, as a practical expedient, not to assess whether particular rent concessions occurring as a direct consequence of the COVID-19 pandemic are lease modifications and instead to account for those rent concessions as if they are not lease modifications. The amendment does not affect lessors. The impact of this amendment is considered immaterial as the Group does not hold any material operating or leasehold agreements as lessee.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

Standards issued not yet effective

The following are new standards, interpretations and amendments, which are not yet effective, and have not been early adopted in this financial information, that will or may have an effect on the Group's future financial statements:

- Interest Rate Benchmark Reform – IBOR 'phase 2' (Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16). The amendments provide relief to the Group in respect of certain loans whose contractual terms are affected by interest benchmark reform (effective from 1 January 2021). Applying the practical expedient introduced by the amendments, when the benchmarks are replaced the adjustments to the contractual cash flows will be reflected as an adjustment to the effective interest rate. Therefore, the replacement of the loans' benchmark interest rate will not result in an immediate gain or loss recorded in profit or loss. The amendment is not expected to have an impact on the presentation or classification of the liabilities in the Group.
- Amendments to IAS 1 which clarifies the criteria used to determine whether liabilities are classified as current or non-current (effective 1 January 2023). These amendments clarify that current or non-current classification is based on whether an entity has a right at the end of the reporting period to defer settlement of the liability for at least twelve months after the reporting period. The amendment is not expected to have an impact on the presentation or classification of the liabilities in the Group based on rights that are in existence at the end of the reporting period.

There are other new standards and amendments to standards and interpretations which have been issued that are effective in future accounting periods, and which the Group has decided not to adopt early. None of these are expected to have a material impact on the condensed Consolidated Financial Statements of the Group.

2.2 Significant accounting judgements and estimates

In the application of the Group's accounting policies the Directors are required to make judgements, estimates and assumptions that affect the reported amounts recognised in the financial statements. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability in the future. The estimates and associated assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are outlined below:

Estimates

Valuation of investment properties

The fair value of investment properties are determined, by external property valuation experts, to be the estimated amount for which a property should exchange on the date of the valuation in an arm's length transaction. The Group's properties have been valued on an individual basis. The valuation experts use recognised valuation techniques, applying the principles of both IAS 40 and IFRS13.

The valuations have been prepared in accordance with the Royal Institution of Chartered Surveyors ('RICS') Valuation. Factors include current market conditions, annual rentals, the contractual terms of the leases and their lengths and location. The significant methods and assumptions used by valuers in estimating the fair value of investment property are set out in note 10.

Provision for expected credit losses ('ECL') of trade receivables

Rent collection rates pre-COVID were in the region of 100%. As a result, the Group does not have the data to establish historical loss rates for the expected credit loss analysis.

In determining the provision on a tenant by tenant basis, the Group considers both recent payment history and future expectations of the tenant's ability to pay or possible default in order to recognise an expected credit loss allowance. The Group also considers the risk factors associated by sector in which the tenant operates and the nature of the debt. Based on sector and rent receivable type a provision is provided in addition to full provision for maximum risk tenants or known issues.

Principal versus agent considerations – services to tenants

The Group arranges for certain services to be provided to tenants. These arrangements are included in the contract the Group enters into as a lessor. The Group has determined that it controls the services before they are transferred to tenants, because it has the ability to direct the use of these services and obtain the benefits from them. The Group has determined that it is primarily responsible for fulfilling these services as it directly deals with tenants' complaints and is primarily responsible for the quality or sustainability of the services. In addition, the Group has discretion in establishing the price that it charges to the tenants for the specified services.

Therefore, the Group has concluded that it is the principal in these contracts. In addition, the Group has concluded that it transfers control of these services over time, as services are rendered by the third-party service providers, because this is when tenants receive and, at the same time, consume the benefits from these services.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

REIT status

The Group is a Real Estate Investment Trust (REIT) and does not pay tax on its property income or gains on property sales, provided that at least 90% of the Group's property income is distributed as a dividend to shareholders, which becomes taxable in their hands. In addition, the Group has to meet certain conditions such as ensuring the property rental business represents more than 75% of total profits and assets. Any potential or proposed changes to the REIT legislation are monitored and discussed with HMRC. It is management's intention that the Group will continue as a REIT for the foreseeable future.

Classification of lease arrangements – the Group as lessor (Note 16)

The Group has acquired investment properties that are leased to tenants. In considering the classification of lease arrangements, at inception of each lease the Group considers the economic life of the asset compared with the lease term and the present value of the minimum lease payments and any residual value compared with the fair value and associated costs of acquiring the asset as well as qualitative factors as indicators that may assert to the risks and rewards of ownership having been substantially retained or transferred. The Group has determined that it retains all the significant risks and rewards of ownership of its investment property and accounts for the lease arrangements as operating leases.

2.3 Segmental information

Each property held by the Group is reported to the chief operating decision maker. In the case of the Group, the chief operating decision maker is considered to be the Board of Directors. The review process for segmental information includes the monitoring of key performance indicators applicable across all properties. These key performance indicators include Net Asset Value, Earnings per Share and valuation of properties. All asset cost and rental allocations are reported by property too. The internal financial reports received by the Directors cover the Group and all its properties and do not differ from amounts reported in the financial statements. The Directors have considered that each property has similar economic characteristics and have therefore aggregated the portfolio into one reportable segment under the provisions of IFRS 8.

2.4 Going concern

In assessing the Group's going concern assumptions, the Directors have considered the impact of the COVID-19 pandemic on the performance of the business.

The Directors have therefore projected the Group's cash flows for the period up to 30 September 2022, challenging and sensitising inputs and assumptions to ensure that the cash forecast reflects a realistic outcome given the uncertainties associated with the current economic environment.

The Directors note that the Group's debt of £41m does not mature until 2025 and the Group has reported full compliance with its loan covenants to date. Based on the cash flow projections, the directors expect to continue to remain compliant with the covenants.

The Directors also note that the headroom of the loan to value covenant is significant and any fall in property values that would cause a breach would be significantly more than any currently envisaged.

A "severe, but plausible, downside" scenario has also been projected. While rent collections have been strong, this scenario anticipates further rent deferrals and write-offs should tenants would have difficulty paying rents.

- The Directors have modelled rent collection of 80% in Q3 & Q4 2021 and 70% in Q1 2022 recovering to 80% in Q2 2022 and then at 100% onwards.
- In such a scenario, the assumption is that 50% of these rent deferrals would be written off, with the remainder repaid over the course of 12 months commencing from Q3 2021. This is in addition to the existing payment plans already in place.

In this scenario the Group still has adequate headroom against the interest cover covenant and positive cash balances.

Having assessed the heightened risks as well as mitigating factors and management strategies available to reduce such risks, the Directors have determined that the Group has adequate resources to continue in operational existence for the foreseeable future.

Accordingly, the Directors continue to adopt the going concern basis of accounting in preparing the Consolidated Financial Statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

2.5 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these Consolidated Financial Statements are set out below.

a) Functional and presentation currency

These Consolidated Financial Statements are presented in Sterling, which is the functional and presentational currency of the Group and its subsidiary undertakings. The functional currency of the Group and its subsidiaries is principally determined by the primary economic environment in which it operates. The Group did not enter into any transactions in foreign currencies during the period.

b) Revenue recognition

i) Rental income

Rental income under operating leases is recognised on a straight-line basis over the term of the lease, except for contingent rental income, which is recognised when it arises. For leases, which contain fixed or minimum uplifts, the rental income arising from such uplifts is recognised on a straight-line basis over the lease term.

Incentives for lessees to enter into lease agreements are spread evenly over the lease term, even if the payments are not made on such a basis. The lease term is the non-cancellable period of the lease together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Directors are reasonably certain that the tenant will exercise that option.

Lease modifications, such as lease extensions and rent reductions, are accounted for either as a separate lease or not a separate lease.

A modification will only be treated as a separate lease if it involves the addition of one or more underlying assets at a price that is commensurate with the standalone price of the increase in scope. All other modifications are not treated as a separate lease.

If a modification is a separate lease, a lessee applies the requirements of IFRS 16 to the newly added asset, due as a result of the modification, independently of the original lease. The accounting for the original lease continues unchanged.

If a modification is not a separate lease, the accounting reflects that there is a linkage between the original lease and the modified lease. The existing lease liability is remeasured with a corresponding adjustment to the right-of-use asset on the effective date of the modification.

ii) Service charges and direct recharges

Revenue from service charges is recognised in the accounting period in which the service is rendered. For certain service contracts, revenue is recognised based on the actual service provided to the end of the reporting period as a proportion of the total services to be provided because the customer receives and uses the benefits simultaneously.

iii) Deferred income

Deferred income is rental income received in respect of future accounting periods.

(iv) Dilapidation and lease surrender premium

Amounts received from tenants to terminate leases or to compensate for dilapidations are recognised in the Consolidated Statement of Comprehensive income when the right to receive them arises.

c) Financing income and expenses

Financing income comprises interest receivable on funds invested. Financing expenses comprise interest and other costs incurred in connection with the borrowing of funds. Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method which is significantly the same as the contracted interest.

d) Investment property

Property is classified as investment property when it is held to earn rentals or for capital appreciation or both. Investment property is measured initially at cost including transaction costs. Transaction costs include transfer taxes and professional fees to bring the property to the condition necessary for it to be capable of operating. The carrying amount also includes the cost of replacing part of an existing investment property at the time that cost is incurred if the replacement of that part will prolong or improve the life of the asset.

Subsequent to initial recognition, investment property is stated at fair value. Gains or losses arising from changes in the fair values are included in profit or loss.

Investment properties are valued by the external valuer. Any valuation of investment properties by the external valuer must be undertaken in accordance with the current issue of RICS Valuation – Professional Standards (the 'Red Book').

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

The determination of the fair value of investment property requires the use of estimates such as future cash flows from assets (such as lettings, tenants' profiles, future revenue streams, capital values of fixtures and fittings, plant and machinery, any environmental matters and the overall repair and condition of the property) and yield applicable to those cash flows.

For the purposes of these Consolidated Financial Statements, the assessed fair value is:

- reduced by the carrying amount of any accrued income resulting from the spreading of lease incentives; and
- increased by the carrying amount of leasehold obligations.

Investment property is derecognised when it has been disposed of or permanently withdrawn from use and no future economic benefit is expected after its disposal or withdrawal.

The profit on disposal is determined as the difference between the net sales proceeds and the carrying amount of the asset at the commencement of the accounting period plus capital expenditure in the period. Any gains or losses on the retirement or disposal of investment property are recognised in profit or loss in the year of retirement or disposal.

e) Cash and cash equivalents

Cash and short-term deposits in the Consolidated Statement of Financial Position comprise cash at bank and short-term deposits with an original maturity of three months or less.

f) Receivables and prepayments

Rent and other receivables are initially recognised at fair value and subsequently at amortised cost. Impairment provisions are recognised based on the processed as described in note 2.2. Any adjustment is recognised in profit or loss as an impairment gain or loss.

g) Other payables and accrued expenses

Other payables and accrued expenses are initially recognised at fair value and subsequently held at amortised cost.

h) Interest bearing loans and borrowings

All loans and borrowings are initially recognised at fair value less directly attributable transaction costs. After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Borrowing costs are amortised over the lifetime of the facilities through profit or loss.

i) Provisions

A provision is recognised in the Consolidated Statement of Financial Position when the Group has a present legal or constructive obligation as a result of a past event that can be reliably measured and is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

j) Dividend payable to shareholders

Equity dividends are recognised when they become legally payable.

k) Share issue costs

The costs of issuing or reacquiring equity instruments (other than in a business combination) are accounted for as a deduction from equity.

l) Lease obligations

Lease obligations relate to the head rent of investment property and are capitalised at the lease commencement, at the lower of fair value of the property and present value of the minimum lease payments and held as a liability within the Consolidated Statement of Financial Position. The lease payments are discounted using the interest rate implicit in the lease. Where the Group is exposed to potential future increases in variable lease payments based on an index or rate, these are not included in the lease liability until they take effect. Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

m) Taxes

Corporation tax is recognised in profit or loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

As a REIT, the Group is exempt from corporation tax on the profits and gains from its investments, provided it continues to meet certain conditions as per REIT regulations.

Taxation on the profit or loss for the period not exempt under UK REIT regulations comprises current and deferred tax. Current tax is expected tax payable on any non-REIT taxable income for the year, using tax rates applicable in the year.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax that is provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the period end date.

n) Non-current assets held for sale

Non-current assets are classified as assets held for sale when their carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable. Investment properties classified as such are measured at fair value.

o) European Public Real Estate Association

The Group has adopted the European Public Real Estate Association ('EPRA') best practice recommendations, which it expects to broaden the range of potential institutional investors able to invest in the Company's Ordinary Shares. For the year ended 30 June 2021, audited EPS and NAV calculations under EPRA's methodology are included in note 8 and further unaudited measures are included on page 89.

p) Capital and reserves**Share capital**

Share capital is the nominal amount of the Company's ordinary shares in issue.

Capital reserve

The capital reserve is a distributable reserve and represents the cancelled share premium less dividends paid from this reserve.

Retained earnings

Retained earnings represent the profits of the Group less dividends paid from revenue profits to date.

3. RENTAL AND OTHER INCOME

	Year ended 30 June 2021 £'000	Year ended 30 June 2020 £'000
Gross rental income	6,724	6,073
Service charges and direct recharges (see note 4)	199	459
Spreading of minimum contracted future rent indexation	571	720
Spreading of tenant incentives - rent free periods	(85)	558
Total rental and other income	7,409	7,810

All rental, service charge and direct recharge and other income is derived from the United Kingdom.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

4. EXPENSES

	Year ended 30 June 2021 £'000	Year ended 30 June 2020 £'000
Property operating expenses	448	56
Service charges and direct recharges (see note 3)	199	459
Total property operating expenses	647	515
Investment management fee	269	408
Auditor remuneration	77	120
Provision for impairment of trade receivables	–	213
Operating costs*	442	657
Directors' remuneration (note 5)	88	94
Total other operating expenses	876	1,492
Total operating expenses	1,523	2,007

* A write-off in the amount of £107 ('000) presented as separate line item in prior year accounts has been reclassified to operating cost this year.

Audit		
Statutory audit of Annual Report and Accounts	67	105
Statutory audit of Subsidiary Accounts	10	15
Total fees due to auditor	77	120

Moore Kingston Smith LLP has replaced KPMG LLP as the auditor for the Group for year ended 30 June 2021. Neither Moore Kingston Smith LLP nor KPMG LLP have provided any non-audit services to the Group.

5. DIRECTORS' REMUNERATION

	Year ended 30 June 2021 £'000	Year ended 30 June 2020 £'000
Directors' fees	78	90
Tax and social security	10	4
Total fees	88	94

A summary of the Director's remuneration is set out in the Directors' Remuneration Report on pages 41 to 43.

The Group had no employees during the period.

6. FINANCE EXPENSES

	Year ended 30 June 2021 £'000	Year ended 30 June 2020 £'000
Interest payable on loan	1,307	1,315
Amortisation of loan arrangement fees (note 14)	99	124
Other finance costs	15	3
Total	1,421	1,442

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

7. TAXATION

	Year ended 30 June 2021 £'000	Year ended 30 June 2020 £'000
Tax charge comprises:		
Analysis of tax charge in the period		
Profit/(loss) before tax	5,572	(5,050)
Theoretical tax/(tax credit) at UK corporation tax standard rate of 19.00% (2020: 19.00%)	1,059	(960)
Effects of tax exempt items under the REIT regime	(1,059)	960
Total	-	-

The Group maintained its REIT status and as such, no deferred tax asset or liability has been recognised in the current period.

Factors that may affect future tax charges

Due to the Group's status as a REIT and the intention to continue meeting the conditions required to retain approval as a REIT in the foreseeable future, the Group has not provided deferred tax on any capital gains or losses arising on the revaluation or disposal of investments.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

8. EARNINGS/(LOSS) PER SHARE (EPS) AND NET ASSET VALUE (NAV) PER SHARE

	Year ended 30 June 2021	Year ended 30 June 2020
Earnings/(loss) per share:		
Total comprehensive income/(loss) (£'000)	5,572	(5,050)
Weighted average number of shares (Number)	80,500,000	80,500,000
Earnings/(loss) per share (basic and diluted) (pence)	6.92	(6.27)
EPRA EPS:		
Total comprehensive income/(loss) (£'000)	5,572	(5,050)
Adjustment:		
Change in fair value of investment properties (£'000)	(682)	9,411
Gain on disposal of investment property (£'000)	(425)	–
EPRA earnings (basic and diluted) (£'000)	4,465	4,361
EPRA EPS (basic and diluted) (pence)	5.55	5.42
Adjusted EPS:		
EPRA earnings (basic and diluted) (£'000) - as above	4,465	4,361
Adjustments:		
Rental income recognised in respect of guaranteed fixed rental uplifts (£'000)	(571)	(720)
Rental income recognised in respect of rent free periods (£'000)	85	(558)
Amortisation of loan arrangement fee (£'000)	99	124
Provision for impairment of trade receivables (£'000)	–	213
Adjusted earnings (basic and diluted) (£'000)	4,078	3,420
Adjusted EPS (basic and diluted) (pence)*	5.07	4.25
NAV per share:		
Net assets value (£'000)	68,893	67,286
Ordinary Shares (Number)	80,500,000	80,500,000
NAV per share (pence)	85.58	83.58

* Adjusted EPS is a measure used by the Board to assess the level of the Group's dividend payments. This metric adjusts EPRA earnings for non-cash items in arriving at an adjusted EPS as supported by cash flows.

Earnings per share are calculated by dividing profit/(loss) for the year attributable to ordinary equity holders of the Company by the weighted average number of Ordinary Shares in issue during the year.

EPRA NAV and EPRA NNNNAV (refer to Glossary) are equal to the NAV presented in the Consolidated Statement of Financial Position under IFRS and there are no adjusting items. Accordingly, a reconciliation between these measures does not need to be provided.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

EPRA Net Asset Value metrics

In October 2019, the European Public Real Estate Association (EPRA) updated its Best Practice Recommendations (BPR) for financial disclosures by public real estate companies. The BPR introduced three new measures of net asset value: EPRA Net Reinvestment Value (NRV), EPRA Net Tangible Assets (NTA) and EPRA Net Disposal Value (NDV). The Group has adopted these new guidelines and applies them in this Annual Report.

	EPRA NRV	EPRA NTA and EPRA NDV
As at 30 June 2021		
Net assets value (£'000)	68,893	68,893
Purchasers' cost (£'000)	7,100	–
Break cost on bank borrowings (£'000)	(3,467)	(3,467)
	72,526	65,426
Ordinary Shares (Number)	80,500,000	80,500,000
Per share measure (pence)	90.09	81.27
As at 30 June 2020

*Following a review of the classification of the Group's properties, Bramall Court and Grazebrook Industrial Estate have been reclassified as a Leasehold as reflected above in the current year consolidated financial statements.

Valuation of investment properties

Valuation of investment properties is performed by Knight Frank LLP, an accredited external valuer with recognised and relevant professional qualifications and recent experience of the location and category of the investment property being valued. The valuation of the Group's investment properties at fair value is determined by the external valuer on the basis of market value in accordance with the internationally accepted RICS Valuation – Professional Standards (incorporating the International Valuation Standards).

The determination of the fair value of investment properties requires the use of estimates such as future cash flows from assets (such as lettings, tenants' profiles, future revenue streams, capital values of fixtures and fittings, plant and machinery, any environmental matters and the overall repair and condition of the property) and yield applicable to those cash flows.

The outbreak of COVID-19, has and continues to impact on many aspects of daily life and the global economy – with some real estate markets having experienced lower levels of transactional activity and liquidity. Travel, movement and operational restrictions have been implemented in many countries. In some cases, "lockdowns" have been applied to varying degrees and to reflect further "waves" of COVID-19; although these may imply a new stage of the crisis, they are not unprecedented in the same way as the initial impact. The pandemic and the measures taken to tackle COVID-19 continue to affect economies and real estate markets globally. Nevertheless, as at the valuation date property markets are mostly functioning again, with transaction volumes and other relevant evidence at levels where an adequate quantum of market evidence exists upon which to base opinions of value. Accordingly, and for the avoidance of doubt, valuations are not reported as being subject to "material valuation uncertainty" as defined by VPS3 and VPGA 10 of the RICS Valuation – Global Standards.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

In preparing their valuations, our valuers have considered the impact of concessions agreed with tenants at the balance sheet date, which mainly relate to rent deferrals and rent reductions, on valuations. They have also given consideration to occupiers in higher risk sectors, and those assumed to be at risk of default, in determining the appropriate yields to apply.

At 30 June 2020, Knight Frank LLP's external valuation reports included a "material valuation uncertainty" declaration, which emphasised that less certainty – and a higher degree of caution – should be attached to the valuations than would normally be the case. In light of this, we reviewed the ranges used for our sensitivity analysis, and adopted expanded ranges to reflect this increased uncertainty. No such declaration was included in our valuation reports at 30 June 2021, with our external valuers concluding that there was an adequate quantum of market evidence upon which to base opinions of value.

10.2 Fair value measurement hierarchy

The different valuation method levels are defined below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

These levels are specified in accordance with IFRS 13 'Fair Value Measurement'. Property valuations are inherently subjective as they are made on the basis of assumptions made by the valuer which may not prove to be accurate. For these reasons, and consistent with EPRA's guidance, we have classified the valuations of our property portfolio as Level 3 as defined by IFRS 13. The inputs to the valuations are defined as 'unobservable' by IFRS 13 and these are analysed in a table below. There were no transfers between levels in the year.

Sensitivity analysis to significant changes in unobservable inputs within Level 3 of the hierarchy

The significant unobservable inputs used in the fair value measurement categorised within Level 3 of the fair value hierarchy of the entity's portfolios of investment properties are:

- 1) Estimated Rental Value ('ERV')
- 2) Equivalent yield

Increases/(decreases) in the ERV (per sq ft per annum) in isolation would result in a higher/(lower) fair value measurement. Increases/(decreases) in the yield in isolation would result in a lower/(higher) fair value measurement.

The significant unobservable inputs used in the fair value measurement, categorised within Level 3 of the fair value hierarchy of the portfolio of investment property and investments are:

Class	Fair value £'000	Valuation technique	Significant unobservable inputs	Range
30 June 2021				
Investment properties*	109,230	Income capitalisation	ERV Equivalent yield	£3.86 - £21.96 5.17% - 8.46%**
30 June 2020				
Investment properties*	101,910	Income capitalisation	ERV Equivalent yield	£3.74 - £21.96 5.34% - 8.76%

* Valuation per Knight Frank LLP

** Hotels, Nurseries, Petrol Stations & Healthcare are excluded from this range

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

Where possible, sensitivity of the fair values of Level 3 assets are tested to changes in unobservable inputs to reasonable alternatives.

	30 June 2021			
	Change in ERV		Change in equivalent yield	
	£'000	£'000	£'000	£'000
Sensitivity Analysis	+10%	-10%	+10%	-10%
Resulting fair value of investment property	112,222	107,104	103,375	116,769

	30 June 2020 – as restated*			
	Change in ERV		Change in equivalent yield	
	£'000	£'000	£'000	£'000
Sensitivity Analysis	+10%	-10%	+10%	-10%
Resulting fair value of investment property	106,808	102,724	97,883	113,193

* The resulting fair value as the result of change in ERV and yield disclosed in prior year consolidated financial statements were interchanged. Necessary corrections have been reflected in the current year consolidated financial statements.

Gains and losses recorded in profit or loss for recurring fair value measurements categorised within Level 3 of the fair value hierarchy are attributable to changes in unrealised gains or losses relating to investment property held at the end of the reporting period.

11. RECEIVABLES AND PREPAYMENTS

	30 June 2021 £'000	30 June 2020 £'000
Receivables

Total other changes	1,421	1,538
At the end of the year	40,516	40,417

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

15. LEASE OBLIGATIONS

At the commencement date, the lease liability is measured at the present value of the lease payments that are not paid on that date.

The following table analyses the minimum lease payments under non-cancellable leases:

	30 June 2021 £'000	30 June 2020 £'000
Within one year	50	50
After one year but less than five years*	150	150
More than five years*	563	613
Total undiscounted lease liabilities:	763	813
Less: Future finance charge on lease obligations	(390)	(399)
Present value of lease liabilities:	373	414
Lease liabilities included in the statement of financial position:		
Current	38	41
Non-current	335	373
Total	373	414

* Prior year balances have been amended to present the correct expected minimum lease payment amounts for over one year.

16. COMMITMENTS**Operating lease commitments - as lessor**

The Group has 22 commercial property leases on its investment property portfolio as set out on page 18. These non-cancellable leases have a remaining term of between 6 months and 90 years.

Future minimum rentals receivable under non-cancellable operating leases as at 30 June 2021 are as follows:

	30 June 2021 £'000	30 June 2020 £'000
Less than one year	6,957	6,449
One to two years	7,135	6,603
Two to three years	7,094	6,626
Three to four years	7,191	6,729
Four to five years	7,002	6,758
Five to ten years	29,898	30,429
Ten to fifteen years	27,201	28,231
Over fifteen years	58,889	64,735
Total	151,367	156,560

During the year ended 30 June 2021 (2020: £nil) there were no material contingent rents recognised as income.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

Capital commitment

There were no capital commitments as at 30 June 2021.

At 30 June 2020

Work started in September 2020 to replace the defective cladding elements uncovered on the external walls of the top floors and rear lift core of the Travelodge Hotel, Swindon, with compliant replacements and to remediate the fire stopping. The project was completed in December 2020 at a cost (including professional fees) of £1.1 million. The cladding was installed when the property was extended in 2007 and both the architect and the cladding sub-contractor involved are being pursued for reimbursement of the costs incurred.

17. INVESTMENTS IN SUBSIDIARIES

The Company has two wholly owned subsidiaries as disclosed below:

Name and company number	Country of registration and incorporation	Date of incorporation	Principal activity	Ordinary Shares held
Alternative Income REIT Holdco Limited (Company number 11052186)	England and Wales	7 November 2017	Real Estate Company	73,158,502*
Alternative Income Limited (Company number 10754641)	England and Wales	4 May 2017	Real Estate Company	73,158,501*

* Ordinary shares of £1.00 each.

Alternative Income REIT Plc as at 30 June 2021 owns 100% of Alternative Income REIT Holdco Limited.

Alternative Income REIT Holdco Limited holds 100% of Alternative Income Limited.

Both Alternative Income REIT Holdco Limited and Alternative Income Limited are registered at 1 King William Street, London, United Kingdom, EC4N 7AF.

18. ISSUED SHARE CAPITAL

At the beginning and end of the year	805	80,500,000	805	80,500,000

19. FINANCIAL RISK MANAGEMENT AND POLICIES

The Group's activities expose it to a variety of financial risks: market risk, credit risk, liquidity risk and further risks inherent to investing in investment property. The Group's objective in managing risk is the creation and protection of shareholder value. Risk is inherent in the Group's activities, but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. The principal risks facing the Group in the management of its portfolio are as follows:

19.1 Market price risk

Market price risk is the risk that future values of investments in property will fluctuate due to changes in market prices. To manage market price risk, the Group diversifies its portfolio geographically in the UK and across property sectors.

The disciplined approach to the purchase, sale and asset management ensures that the value is maintained to its maximum potential. Prior to any property acquisition or sale, detailed research is undertaken to assess expected future cash flow. The Investment Management Committee ('IMC') meets monthly and reserves the ultimate decision with regards to investment purchases or sales. In order to monitor property valuation fluctuations, the IMC and the Portfolio Management Team of the Investment Manager meet with the independent external valuer on a regular basis. The valuer provides a property portfolio valuation quarterly, so any movements in the value can be accounted for in a timely manner and reflected in the NAV every quarter.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

19.2 Real estate risk

Property investments are illiquid asset and can be difficult to sell, especially if local market conditions are poor. Illiquidity may also result from the absence of an established market for investments, as well as legal or contractual restrictions on resale of such investments.

There can be no certainty regarding the future performance of any of the properties acquired for the Group. The value of any property can go down as well as up.

Real property investments are subject to varying degrees of risk. The yields available from investments in real estate depend on the amount of income generated and expenses incurred from such investments.

There are additional risks in vacant, part vacant, redevelopment and refurbishment situations, although these are not prospective investments for the Group.

These aspects, and their effect on the Group from a going concern perspective are discussed in more detail in the Going Concern policy note.

19.3 Credit risk

Credit risk is the risk that the counterparty (to a financial instrument) or tenant (of a property) will cause a financial loss to the Group by failing to meet a commitment it has entered into with the Group.

It is the Group's policy to enter into financial instruments with reputable counterparties. All cash deposits are placed with an approved counterparty, Barclays International.

In respect of property investments, in the event of a default by a tenant, the Group will suffer a rental shortfall and additional costs concerning re-letting the property. The Investment Advisor monitors tenant arrears in order to anticipate and minimise the impact of defaults by occupational tenants.

The table below shows the Group's exposure to credit risk:

	30 June 2021 £'000	30 June 2020 £'000
Debtors (including rent spreading from rent indexation and incentives and excluding prepayments)	3,618	5,609*
Cash and cash equivalents	2,115	2,288
Total	5,733	7,897

* Prior year balances have been amended to present the correct amount for Debtors (including rent spreading from rent indexation and incentives and excluding prepayments).

19.4 Liquidity risk

Liquidity risk arises from the Group's management of working capital and the finance charges and principal repayments on its borrowings. It is the risk the Group will encounter difficulty in meeting its financial obligations as they fall due as the majority of the Group's assets are investment properties and therefore not readily realisable. The Group's objective is to ensure it has sufficient available funds for its operations and to fund its capital expenditure. This is achieved by quarterly review/ monitoring of forecast and actual cash flows by the Investment Adviser and Board of Directors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

The below table summarises the maturity profile of the Group's financial liabilities based on contractual undiscounted payments.

30 June 2021	On demand £000	< 3 months £000	3 -12 months £000	1 - 5 years £000	> 5 years £000	Total £0000
Interest bearing loans and borrowings	–	–	–	41,000	–	41,000

Interest bearing loans and borrowings	–	–	–	–	41,000	41,000
Interest payable*	–	327	980	5,226	653	7,186
Payables and accrued expenses	228	843	–	–	–	1,071
Lease obligations	–	13	37	200	563	813
Total	228	1,183	1,017	5,426	42,216	50,070

* Prior year balances have been amended to present the correct interest payable.

19.5 Fair value of financial instruments

There is no material difference between the carrying amount and fair value of the Group's financial instruments.

19.6 Interest rate risk

Interest rate risk is the risk that future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates is minimal as it has taken out a fixed rate loan.

20. CAPITAL MANAGEMENT

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern in order to provide returns for shareholders and to maintain an optimal capital structure to reduce the cost of capital.

To enhance returns over the medium term, the Group utilises borrowings on a limited recourse basis for each investment or all or part of the total portfolio. The Group's policy is to borrow up to a maximum of 40% loan to GAV (both are measured at drawdown). Alongside the Group's borrowing policy, the Directors intend, at all times, to conduct the affairs of the Group so as to enable the Group to qualify as a REIT for the purposes of Part 12 of the Corporation Tax Act 2010 (and the regulations made thereunder). The REIT status compliance requirements include 90% distribution test, interest cover ratio, 75% assets test and the substantial shareholder rule, all of which the Group remained compliant with in this reporting period.

The monitoring of the Group's level of borrowing is performed primarily using a Loan to GAV ratio. The Loan to GAV ratio is calculated as the amount of outstanding debt divided by the total assets of the Group, which includes the valuation of the investment property portfolio. The Group Loan to GAV ratio at the period end was 36.3% (2020: 37.0%).

Breaches in meeting the financial covenants would permit the lender to immediately call loans and borrowings. During the period, the Group did not breach any of its loan covenants, nor did it default on any other of its obligations under its loan agreements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS CONTINUED

For the year ended 30 June 2021

21. TRANSACTIONS WITH RELATED PARTIES

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions.

Subsidiaries

Alternative Income REIT Plc as at 30 June 2021 owns 100% controlling stake of Alternative Income REIT Holdco Limited and Alternative Income REIT Holdco Limited holds 100% of Alternative Income Limited.

Directors

Directors of the Group are considered to be the key management personnel. Directors' remuneration is disclosed in note 5.

Investment Manager

M7 Real Estate Limited - from 14 May 2020 to date

M7 Real Estate Ltd was appointed as Investment Adviser on 14 May 2020. The Interim Investment Advisory agreement (amended with Deed of Variation dated February 2021) specifies that there are no fees payable up to 30 September 2020. From 1 October 2020, an annual management fee will be calculated at a rate equivalent of 0.50% per annum of NAV (subject to a minimum fee of £90,000 per quarter), paid quarterly in advance. During the year ended 30 June 2021, the Group incurred £269,327 (30 June 2020: £nil) in respect of investment advisory fees, of which £nil was outstanding at 30 June 2021 (30 June 2020: £nil).

AEW UK Investment Management LLP ("AEW UK") - period ended 9 April 2020

The Group was party to an Investment Management Agreement with AEW UK, pursuant to which the Group appointed the Investment Manager to provide investment management services relating to the respective assets on a day-to-day basis in accordance with their respective investment objectives and policies, subject to the overall supervision and direction of the Board of Directors.

Under the Investment Management Agreement, AEW UK received a management fee which was calculated at a rate equivalent to 0.75% per annum of NAV (excluding un-invested fund-raising proceeds) and paid quarterly in arrears. During the period 1 July 2019 to 9 April 2020, the Group was charged £407,708 in respect of investment management fees and expenses of which £137,445 remains outstanding.

22. EVENTS AFTER REPORTING DATE

Dividend

On 4 August 2021, the Board declared an interim dividend of 1.64 pence per share in respect of the period from 1 April 2021 to 30 June 2021. This was paid on 31 August 2021 to shareholders on the register as at 13 August 2021. The ex-dividend date was 12 August 2021 (2020: On 6 August 2020, the Board declared an interim dividend of 1.425 pence per share in respect of the period from 1 April 2020 to 30 June 2020. This was paid on 28 August 2020 to shareholders on the register as at 14 August 2020. The ex-dividend date was 13 August 2020).

NOTES TO THE COMPANY ACCOUNTS

1. CORPORATE INFORMATION

Alternative Income REIT plc (the 'Company') is a public limited company and a closed ended Real Estate Investment Trust ('REIT') incorporated on 18 April 2017, and domiciled in the United Kingdom and is registered in England and Wales. The registered office of the Company is located at 1 King William Street, London, United Kingdom, EC4N 7AF.

The Company's Ordinary Shares were listed on the Official List of the UK Listing Authority and admitted to trading on the Main Market of the London Stock Exchange on 6 June 2017.

The Company is the ultimate parent company of the Alternative Income REIT HoldCo Limited and Alternative Income Limited. Its primary activity is to hold shares in subsidiary companies and invest in direct property investments.

2. ACCOUNTING POLICIES

Basis of preparation

These financial statements are prepared and approved by the Directors in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and in accordance with applicable accounting standards.

As permitted by FRS 101, the Company has taken advantage of the following disclosures exemptions which are permissible under FRS 101 as the equivalent disclosures are contained within the Group's consolidated financial statements.

- a cash flow statement and related notes;
- disclosures in respect of capital management;
- the effects of new but not yet effective IFRSs;
- the disclosures of the remuneration of key management personnel;
- disclosure of related party transactions with other wholly owned members of the Ultimate Parent;
- the disclosure of financial instruments and other fair value measurements.

The financial statements are presented in Sterling and all values are rounded to the nearest thousand pounds (£'000), except when otherwise indicated.

The principal accounting policies adopted in the preparation of the Company's financial statements are consistent with the Group which are described in note 2.5 of the Consolidated Financial Statements but makes amendments where necessary in order to comply with the Companies Act 2006 and taking advantage of the FRS 101 exemptions mentioned above.

For an assessment of going concern refer to the accounting policy 2.4 of the Group on page 65.

Investments in Subsidiary Companies

Investments in subsidiary companies which are all 100% owned by the Company are included in the statement of financial position at cost less provision for impairment.

Impairment of non-financial assets

The carrying amounts of the Company's investment in subsidiaries are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset is the greater of its value in use and its fair value less costs to sell.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Deferred income

Deferred income is rental income received in respect of future accounting periods.

NOTES TO THE COMPANY ACCOUNTS

3. INVESTMENTS**3a. Investments in Subsidiary Companies**

	30 June 2021 £'000	30 June 2020 £'000
At the beginning and end of the year	73,158	73,158

A list of subsidiary undertakings at 30 June 2021 is included on note 17 of the Consolidated Financial Statements.

The Directors have considered the recoverability of the investment in subsidiary company by comparing the carrying value of the investment to the net asset value of the subsidiary. The directors consider the net asset value of the subsidiary to be a reliable proxy to the recoverable amount as the properties held by the Company are carried at fair value. The net asset value of the subsidiary company exceed the carrying amount of the investment in subsidiary and the Directors have concluded that no impairment is necessary.

3b. Investment property

	30 June 2021 £'000	30 June 2020 £'000
At the beginning of the year	2,011	2,055
Revaluation of investment property	70	(30)
Adjustment to fair value for minimum rent indexation of lease income	(14)	(14)
At the end of the year	2,067	2,011

GLOSSARY

Alternative Investment Fund Manager or AIFM or Investment Manager	Langham Hall Fund Management LLP.
Company	Alternative Income REIT plc.
Contracted rent	The annualised rent adjusting for the inclusion of rent subject to rent-free periods.
Earnings Per Share ('EPS')	Profit for the period attributable to equity shareholders divided by the weighted average number of Ordinary Shares in issue during the period.
EPRA	European Public Real Estate Association, the industry body representing listed companies in the real estate sector.
Equivalent Yield	The internal rate of return of the cash flow from the property, assuming a rise to Estimated Rental Value at the next review or lease expiry. No future growth is allowed for.
Estimated Rental Value ('ERV')	The external valuer's opinion as to the open market rent which, on the date of the valuation, could reasonably be expected to be obtained on a new letting or rent review of a property.
External Valuer	An independent external valuer of a property. The Group's External Valuer is Knight Frank LLP.
Fair value	The estimated amount for which a property should exchange on the valuation date between a willing buyer and a willing seller in an arm's length transaction after proper marketing and where parties had each acted knowledgeably, prudently and without compulsion.
Fair value movement	An accounting adjustment to change the book value of an asset or liability to its fair value.
FCA	The Financial Conduct Authority.
Gross Asset Value ('GAV')	The aggregate value of the total assets of the Group as determined in accordance with IFRS.
IASB	International Accounting Standards Board.
IFRS	International Financial Reporting Standards, as adopted by the European Union.
Investment Adviser	M7 Real Estate Limited.
IPO	The admission to trading on the London Stock Exchange's Main Market of the share capital of the Company and admission of Ordinary Shares to the premium listing segment of the Official List on 6 June 2017.
Lease incentives	Incentives offered to occupiers to enter into a lease. Typically this will be an initial rent-free period, or a cash contribution to fit-out. Under accounting rules the value of the lease incentive is amortised through the Consolidated Statement of Comprehensive Income on a straight-line basis until the lease expiry.
Loan to Value ('LTV')	The value of loans and borrowings utilised (excluding amounts held as restricted cash and before adjustments for issue costs) expressed as a percentage of the combined valuation of the property portfolio (as provided by the valuer) and the fair value of other investments.
Net Asset Value ('NAV')	Net Asset Value is the equity attributable to shareholders calculated under IFRS.
Net Asset Value per share	Equity shareholders' funds divided by the number of Ordinary Shares in issue.

GLOSSARY CONTINUED

Net equivalent yield	Calculated by the Group's External Valuers, net equivalent yield is the internal rate of return from an investment property, based on the gross outlays for the purchase of a property (including purchase costs), reflecting reversions to current market rent and items as voids and non-recoverable expenditure but ignoring future changes in capital value. The calculation assumes rent is received annually in arrears.
Net Initial Yield ('NIY')	The initial net rental income from a property at the date of purchase, expressed as a percentage of the gross purchase price including the costs of purchase.
Net rental income	Rental income receivable in the period after payment of ground rents and net property outgoings.
Ongoing Charges	The ratio of annualised total administration and property operating costs expressed as a percentage of average NAV throughout the period.
Ordinary Shares	The main type of equity capital issued by conventional Investment Companies. Shareholders are entitled to their share of both income, in the form of dividends paid by the Company, and any capital growth.
Passing rent	The gross rent, less any ground rent payable under head leases.
pps	Pence per share.
REIT	A Real Estate Investment Trust. A company which complies with Part 12 of the Corporation Tax Act 2010. Subject to the continuing relevant UK REIT criteria being met, the profits from the property business of a REIT, arising from both income and capital gains, are exempt from corporation tax.
Reversion	Increase in rent estimated by the Company's External Valuers, where the passing rent is below the ERV.
Share price	The value of a share at a point in time as quoted on a stock exchange. The Company's Ordinary Shares are quoted on the Main Market of the London Stock Exchange.
Total returns	The returns to shareholders calculated on a per share basis by adding dividend paid in the period to the increase or decrease in the share price or NAV. The dividends are assumed to have been reinvested in the form of Ordinary Shares or Net Assets.
Total Shareholder Return	The percentage change in the share price assuming dividends are reinvested to purchase additional Ordinary Shares.
Weighted Average Unexpired Lease Term ('WAULT')	The average lease term remaining for first break, or expiry, across the portfolio weighted by contracted rental income (including rentfreezes).
